OFFER OF PROOF NUMBER ONE

MR. MILLER: I'd like to make an offer of proof, Your Honor.

ADMINISTRATIVE LAW JUDGE: That's fine.

MR. MILLER: I'd like to make this part of the record.

The video has been shown and we can just include it in the record on that basis I believe.

ADMINISTRATIVE LAW JUDGE: Uh-huh.

MR. MILLER: Thank you.

ADMINISTRATIVE LAW JUDGE: I think you're correct.

MR. MILLER: And I'll put the printed dialog with it as well.

MS. RHOADES: And for the purpose of the record with respect to the offer of proof, we would renew our other previous objections and the basis for them, and also say that the videotape is conclusory and unsupported.

1 OFFER OF PROOF NUMBER TWO

2 (The Witness is Mr. Alan Lovejoy.)

3 MR. MILLER: Now, in preparing this
4 document where did you get these figures from, Mr.
5 Lovejoy?6 THE WITNESS: The sales figures were taken
7 from the audit report and statement of activities. The
8 satellite purchase figure is taken directly off of the
9 audit report.10 The newsletter expense is taken off of the
11 audit report, as well as the literature and the rental
12 expense. The depreciation was taken from my
13 depreciation schedule.14 Q. And you would depreciate these schedules as
15 part of what?16 A. The work papers, the audit work papers. The
17 depreciation only shows in total in the audit report,
18 so I went to the audit work papers to select the amount
19 of depreciation that was taken on production type
20 facilities and equipment during the year, and that's
21 the amount in the parenthesis to the left, the full
22 amount.23 The airtime expense, the amount on the left
24 again was taken directly from the financial statement,

000700

1 as well as downlink expense and broadcasting supplies.

2 Q. And where did you get the 20 percent figure
3 from?

4 A. It is my understanding from Danny and from
5 Larry Ewing that approximately 20 percent of their
6 programming results in these airtime sales.

7 Q. So that's the one figure that you would have
8 received from outside your work papers or the audit
9 report, is that right?

10 A. Correct.

11 Q. Okay. And what did it show the overall
12 profit or loss for the year 2000 as being?

13 A. It shows the overall loss to be almost
14 \$642,000.

15 MR. MILLER: Okay. That's a sufficient offer
16 of proof for this document.

17 MS. RHOADES: I would like to do some cross
18 examination if I may.

19 ADMINISTRATIVE LAW JUDGE: Yeah.

20 Do you want to do that now or have you
21 finished?

22 MR. MILLER: No. Let me finish my offer of
23 proof.

24 ADMINISTRATIVE LAW JUDGE: Let him finish.

107000

1 MS. RHOADES: And I'll let you know.

2 MR. MILLER: I'll do this quickly. It's the
3 same --

4 ADMINISTRATIVE LAW JUDGE: Yeah. I think he
5 probably has both years.

6 MS. RHOADES: I mean, Judge, if I may, I think
7 it might be easier to do the cross after --

8 MR. MILLER: There is another one.

9 ADMINISTRATIVE LAW JUDGE: I believe that it's
10 the next year.

11 MR. MILLER: I'm just meaning the 2000/2001.

12 I've given you another document.

13 Do you recognize this document?

14 THE WITNESS: Yes.

15 Q. And what is this document?

16 Is this the same as the document I just
17 proffered you but for the year 2001?

18 A. It is the same as that document only for the
19 year 2001.

20 Q. And were the figures gained in the same way?

21 A. Yes, they were.

22 Q. And at the end, the bottom line, your review
23 of what happened in 2001 as far as a profit or loss
24 from sales?

1 A. It was a loss of \$3,979.82.

2 MR. MILLER: Okay. I'd make an offer of proof
3 with Applicant's Number 22, and I will -- that's the
4 end of my offer of proof.

5 ADMINISTRATIVE LAW JUDGE: All right.

6 MR. MILLER: And maybe we should allow the
7 cross examination.

8 ADMINISTRATIVE LAW JUDGE: I think the cross
9 now.

10 MS. RHOADES: I think it would be easier for
11 purposes of the record.

12 CROSS EXAMINATION

13 BY MS. RHOADES:

14 Q. With respect to Applicant's Exhibit Number
15 22, Mr. Lovejoy, you include expenses in there for
16 newsletters.

17 Why did you include the expense of
18 newsletters under video and other?

19 A. Okay. Video and other includes other items
20 like books and literature. These newsletters we
21 consider to be freebee giveaways, free giveaways. That
22 would be lumped in with this other miscellaneous sales.

23 Q. But it is not -- it is not something that,
24 for instance, Three Angels Broadcasting Network does

000703

1. not charge anybody for their newsletters, correct?

2. A. Correct.

3. Q. You have other items in here that are
4. freebees or giveaways that are listed in here?

5. A. Well, let me put it this way. I could have
6. made another line with zero revenue and just have shown
7. this as a free, shown this as an expense also. It
8. would have the same result.

9. Q. Let me ask you this, why is it an expense
10. when it's a newsletter that they produce?

11. It doesn't directly relate to their -- to
12. their videos, CDs or cassette sales.

13. A. I believe it does, because it makes people
14. aware of those.

15. Q. So that's how you do it, is because they use
16. it as an advertising mechanism?

17. A. Well, it is a newsletter. It's a giveaway.
18. It also provides information about the organization.
19. It costs them money to do that. They could charge
20. people for that newsletter, but they don't.

21. Q. Now, you also include in there rental
22. expenses. Why do you include rental income?

23. Yeah. Are you talking about the properties
24. that they rent and somehow that's related to and get

1 profits off of, that that's somehow related to CDs,
2 video sales, or airtime sales or satellite sales?

3 A. To me these are four different categories.
4 They each stand on their own.

5 Q. Okay. Now, you have expenses related to, it
6 says analysis of sales, so rental income is sales?

7 Is that what you're testifying?

8 A. No, I'm not, but.

9 Q. Isn't that what your document is entitled?

10 A. That's what the document says, yes.

11 Q. Now, with regard to literature, you have
12 \$139,459.55 attributed as an expense, correct?

13 A. Uh-huh.

14 Q. To video and others, and, again, do you have
15 any records or any documents that would indicate that
16 that is directly related to that revenue generated item
17 of video, CDs, and cassettes?

18 A. Yes, because it includes book purchases and
19 books are included in this other.

20 Q. And how much, did you go back and
21 subsequently do an analysis with regard to the amounts
22 of books that were given away and done a cost analysis
23 with respect to that line item?

24 A. That would be ridiculous.

000705

1 Q. Can I ask you this question?

2 Did you look at this in the year 2000, these
3 very issues?

4 A. I looked at --

5 Q. This document, did you do this analysis in
6 the year 2000 that it purports to be?

7 A. No.

8 MR. MILLER: Objection, asked and answered.

9 MS. RHOADES: You did not do it in 2000?

10 ADMINISTRATIVE LAW JUDGE: He answered.

11 MS. RHOADES: Okay. With respect to 2001, that
12 particular document, now, you again attribute
13 newsletters.

14 I would assume that that's the same responses
15 you gave for 2000?

16 THE WITNESS: Yes.

17 Q. And the same thing with regard to literature?

18 A. Yes.

19 Q. And that those items would in fact encompass
20 other information, other offers that are given that are
21 not revenue generated?

22 A. I believe they would, yes.

23 Q. Now, with respect to the 20 percent, you did
24 not do an analysis whether or not that 20 percent is in

000706

1 fact an accurate percentage?

2 A. No.

3 Q. And you relied solely on the statement of
4 Danny Shelton with respect to that percentage?

5 MR. MILLER: Objection, asked and answered. I
6 believe that was brought out on direct in fact.

7 MS. RHOADES: I don't believe so. It was in
8 the offer of proof.

9 ADMINISTRATIVE LAW JUDGE: I don't remember it
10 being only Danny Shelton.

11 MS. RHOADES: Yeah.

12 ADMINISTRATIVE LAW JUDGE: Would be my -- I
13 don't remember it exactly that so.

14 MR. MILLER: That's fine.

15 ADMINISTRATIVE LAW JUDGE: I go ahead and
16 direct you to answer that.

17 THE WITNESS: Please repeat that.

18 (Whereupon the requested
19 portion of the record was read
20 back by the Reporter.)

21 THE WITNESS: I believe I said I relied on the
22 statements of Danny and, Danny Shelton and Larry Ewing.

23 MS. RHOADES: And with regard to Larry Ewing,
24 were you apprised of any information or time studies

000707

1 that he had performed in order to come up and verified
2 the 20 percent figure?

3 A. No.

4 Q. And are you aware of any time studies that
5 were done by Mr. Shelton to verify the 20 percent
6 allocation figure?

7 A. No.

8 MS. RHOADES: I have no further questions for
9 this offer of proof. I think Mr. Steinkamp does.

10 MR. STEINKAMP: I just have a couple of
11 questions.

12 EXAMINATION

13 BY MR. STEINKAMP:

14 Q. When you talk about your expense for
15 newsletter and literature that's on the second last and
16 third last lines there, where do you get that figure?

17 How do you calculate the cost of an item
18 that's been given away?

19 A. These figures come directly from our audit
20 report.

21 Q. Uh-huh.

22 Are they -- are you counting these expenses
23 twice then, because aren't you also -- aren't you
24 attributing some of the expenses that have already been

000703

1 attributed to these giveaways to the expenses that
2 you're breaking down here for these?

3 It's just a question.

4 A. No. There is no double expense here. I
5 guess I'm not following.

6 Q. Where does the cost for the giveaway items,
7 from what is that calculated?

8 A. What I'm saying is, the newsletter would be
9 considered a giveaway item.

10 Q. Uh-huh.

11 A. And it cost \$173,000 to produce those items,
12 and those were given away.

13 Q. Okay. Does -- does any of the cost that goes
14 into the production of those giveaways also get
15 included in your other six categories?

16 A. No, that's not duplicated elsewhere.

17 MR. STEINKAMP: Okay. Thank you. I have no
18 further questions.

OFFER OF PROOF NUMBER THREE

(The Witness is Mr. Walter Thompson.)

MR. BOOTHBY: Doctor Thompson, what is your understanding of the beliefs and teachings of the Adventist Church concerning the health message?

THE WITNESS: My understanding is that the health message is a key component of the spiritual life. Only as the person's brain is functioning optimally is the opportunity for spiritual communication with God optimized.

And from the very beginning of the church, health teaching has been very important for that reason.

All of life is governed by law. The law doesn't govern the physical body, the spiritual body or mental, but all of these are governed by cause and affect laws and they're all interrelated, the whole body concept, and this is teaching of Adventism.

MS. PETTY: I'm sorry, Your Honor. I don't -- I really don't want to interrupt, but as far as the offer of proof, they're making an offer of proof, but none of this testimony was ever disclosed.

So I really feel like an objection is appropriate at this point before we get further into

1 this offer of proof as to this line of testimony about
2 what the Seventh-day Adventist believe.

3 ADMINISTRATIVE LAW JUDGE: This is for an
4 offer of proof. I'm going to overrule your objection,
5 note it for the record, but I'd like to have him be
6 able to testify to the questions that his counsel are
7 proffering as part of this offer of proof.

8 MR. BOOTHBY: Doctor Thompson, are you
9 familiar with the fundamental beliefs of the
10 Seventh-day Adventist Church?

11 THE WITNESS: Yes, I am.

12 Q. Do you know if that has been summarized by
13 the church in any kind of a document?

14 A. Well, there is a book that describes it, yes.

15 Q. And are you familiar with the 27 Fundamental
16 Beliefs of the Adventist Church?

17 A. Yes.

18 Q. And do you know whether the -- the teaching
19 of health is part of the 27 Fundamental Beliefs of the
20 Adventist Church?

21 A. The teaching of health is basic to the whole
22 teaching of the church. I have some quotes to help if
23 that would help.

24 MR. BOOTHBY: I've concluded my offer of proof

000711

1 with reference to this matter.

2 Perhaps counsel wants to cross on this and
3 then we'll go back on the record.

4 ADMINISTRATIVE LAW JUDGE: All right.

5 MS. PETTY: I'd just like to renew my
6 objection.

7 ADMINISTRATIVE LAW JUDGE: It has been. We
8 know it's part of the record and everything else.

9 All right.

OFFER OF PROOF NUMBER FOUR

1
2 MR. BOOTHBY: The first offer of proof relates
3 to the video deposition of Ted Wilson, which was taken
4 for the purpose of the use at trial on a stipulation
5 entered into with the Applicant by the Department and
6 the Intervenors.

7 The deposition was taken in Silver Spring,
8 Maryland on July 26, 2002, and as I indicated, recorded
9 by video as well as by a transcript. Counsel for the
10 Intervenors was present and cross examined.

11 In fact, prior, immediately prior to the
12 video testimony that was taken for the purpose of this
13 hearing, the Intervenors' counsel took the discovery
14 deposition of Ted Wilson.

15 In fact, the transcript that was provided to
16 us, in fact in the first many pages of the transcript
17 has the discovery deposition. So we will be offering
18 the video and only relevant portion of the transcript
19 will be from Page 69 to the end of the deposition on
20 Page 184.

21 With reference to the offer of proof, Ted
22 Wilson was listed as a prospective witness by the
23 Applicant on our witness list. He was listed both as a
24 fact and an opinion witness on that particular

000713

1 document.

2 Ted Wilson during the years 2000 and 2001 and
3 to the present date serves as the Vice President of the
4 General Conference of Seventh-day Adventist and has
5 particular oversight within the General Conference of
6 communication activities, including the church's media
7 activities, which include publishing, television,
8 radio, and other departments. As I say, he was listed
9 both as a fact and opinion witness.

10 The subject matter which we set forth in our
11 disclosure as to his prospective testimony, first of
12 all, as it related to his fact testimony, concerned and
13 was stated to concern the role of the Applicant, Three
14 Angels Broadcasting Network, in the ministry of the
15 Seventh-day Adventist Church.

16 As I indicated, he was the individual at the
17 church headquarters during 2000 and 2001 that was
18 officially designated by the church to represent the
19 church in its relations with Three ABN in carrying out
20 the agreement between the church and Three ABN,
21 while -- which has already been introduced into
22 evidence as Applicant's Exhibit Number 9.

23 So he was the individual that was to
24 represent the church from the church's viewpoint, the

000714

1 church's position concerning the agreement which was
2 admitted into evidence and this substantial testimony
3 was provided to this court.

4 Evidence has been submitted that the purpose
5 of Three ABN was to be a vehicle for the church to
6 carry out the Three Angels message as understood by the
7 church to the world through the media of television.

8 The testimony relates to whether that
9 religious purpose was being carried out from the
10 subject property in 2000 and 2001.

11 Ted Wilson actually visited the site, as he
12 indicated in his video deposition in November of, I
13 think it was November of 2001. He spent two days
14 there. He was accompanied by the Communications
15 Director of the church and the Director of the churches
16 television network.

17 They went there and specifically met with the
18 people at the site. They toured the facility, and
19 cross examination was brought out that they toured the
20 site.

21 He became acquainted with the site and, in
22 addition, Ted Wilson has a dish for Three ABN, is
23 familiar with the programming, has continuing contact
24 by telephone with Three ABN concerning matters of

000715

1 concern to the church as it relates to the agreement.

2 In addition, the statement as to the subject
3 matter of the testimony as contained in our disclosure
4 also stated that his opinion, that there may be opinion
5 testimony which would relate to the following:

6 As to whether all of the Applicant's
7 programming and other activities are religious in the
8 context of the Seventh-day Adventist Church, and the
9 testimony and the video did in fact relate to that.

10 Secondly,, that in his opinion, the opinion
11 of Ted Wilson, Pastor Wilson, that the programming and
12 activities carry out the theology and teaching of the
13 Seventh-day Adventist Church, and it is substantially
14 similar to the General Conference of Seventh-day
15 Adventist related mass communication activities.

16 We believe that it is particularly relevant
17 to this case. The Illinois Religious Tax Exemption
18 Statute does not, like Texas Statute, declare that only
19 houses of religious worship are tax exempt. Rather 35
20 ILCS 200/15-65 states that, quote, property used
21 exclusively for religious purposes qualifies for
22 exemption as long as it is not used with a view for
23 profit.

24 As our trial brief pointed out, in 1983 the

000716

1 court held in the Evangelical Teacher Training
2 Association versus Novak, 454 N.E. 2nd 836, 1983
3 decision, an organization formed by various Christian
4 schools to produce print, audio, visual and other
5 materials to train Christian educators qualifies as a
6 religious purpose under the statute.

7 Thus Illinois courts have not merely
8 construed the religious purpose exemption to only to
9 be, quote, a place of public worship, closed quote.

10 The court suggested in its August 29, 2002
11 order denying Applicant's Motion In Limine seeking to
12 exclude certain evidence brought, which we believe
13 would be introduced or might be introduced by the
14 Department and Intervenors.

15 In our trial brief we also pointed out that
16 in Fairview Haven versus the Department of Revenue, 506
17 N.E. 2nd 341 and 348, a 1987 decision, it was stated
18 that the Illinois Courts recognize that they, quote,
19 must accept the entity's characterization of its
20 activities and beliefs as religious as long as the
21 characterization is made in good faith.

22 ADMINISTRATIVE LAW JUDGE: I want to interject
23 for the record that you in fact did not file a motion
24 to supply me with a pretrial brief. You did not have

000717

1 any hearing on that and you do not automatically have a
2 right to submit briefs.

3 MR. BOOTHBY: Well, I appreciate that, Your
4 Honor, and I apologize for that, but now I do site that
5 case for the court, and when we do state that that is
6 important, because we believe that part of our case,
7 relevant, a relevant part of our case is the
8 declaration of a religious organization as to what the
9 characterization, what its beliefs, what its beliefs
10 are as it characterizes them to the public so long as
11 it's made in good faith, and it must accept the
12 entity's characterization of its activities and beliefs
13 as religious. That is what we understand Fairview
14 Haven versus the Department of Revenue to teach.

15 On September 17, 2002, although this was not
16 a jury trial, the court entered an order stating, and I
17 quote, the testimony of Ted Wilson and Denis Fortin is
18 barred as irrelevant because the witnesses have no
19 knowledge of the use of the subject property. The
20 authenticity of the Seventh-day Adventist theological
21 teaching and religious activity is not at issue.

22 We believe, first of all, with reference to
23 this particular video, that the testimony of Ted Wilson
24 was not irrelevant since he did have knowledge of the

000713

1 use of the subject property. He'd actually been at
2 that subject site and he had been in communication. He
3 had watched the programming that everyone admits was --
4 was produced at that site. He has the dish in his
5 home. He's familiar with the programming and the
6 testimony in the video we believe is not irrelevant.

7 We also believe for the reasons that I
8 indicated under the Fairview Haven case, that the
9 authenticity of the Seventh-day Adventist theological
10 teaching and religious activities is at issue here,
11 because the very specific purpose of Three ABN is to
12 proclaim the ministry, the teachings and beliefs of the
13 Seventh-day Adventist Church, which is very clear in
14 our opinion, from the testimony provided so far.

15 In fact, Wilson in his testimony at Pages 113
16 and 114 of his deposition --

17 ADMINISTRATIVE LAW JUDGE: Sir, I think this
18 is not -- this is going beyond an offer of proof, as
19 far as stating what Wilson states. An offer of proof
20 is supposed to establish why you think it should be
21 admitted into evidence for a reviewing in court.

22 MR. BOOTHBY: My understanding is that it is
23 relevant in an offer of proof to indicate what his
24 testimony in fact was without going through and doing

1 the whole thing. But to point out some of the
2 important portions of his testimony so as to provide
3 the court with the opportunity to revisit the question
4 as to whether the Motion in Limine should in fact be
5 revisited, and since it's an interlocutory order and
6 have the testimony actually entered into evidence.

7 Without knowing what the evidence is, the
8 court is not in a position to reevaluate its
9 interlocutory order. It won't take me very long. I
10 don't have too much more on that, but it's up to the
11 court.

12 ADMINISTRATIVE LAW JUDGE: Go ahead and
13 finish, but I think this is beyond what is necessary
14 for an offer of proof.

15 MR. BOOTHBY: On Pages 123 and 124, I'm sorry,
16 on Pages 126 and 127 Pastor Wilson stated, was asked
17 the following questions and he gave the following
18 questions.

19 Question: How at all does the Three
20 Angels Broadcasting Network carry out the fundamental
21 beliefs of the church?

22 And his answer was: Well, in reviewing their
23 programming, one can see that they certainly cover very
24 heavily theological components, proclamations of the

1 bible, and scriptural injunctions through preaching,
2 through interviews, and through different types of
3 formats.

4 They also have an emphasis on health and
5 better living and an emphasis on stewardship, emphasis
6 on children and helping them to understand as they grow
7 the importance of looking to Christ and Christian
8 education and that kind of thing. So their programming
9 is very specifically focussed on the fulfillment of the
10 mission of the church.

11 We believe that this testimony is relevant
12 not only to -- to set forth the beliefs the Adventist
13 Church, but also to demonstrate that not only does
14 Three ABN have the religious purpose of spreading the
15 Adventist teaching to the world, but is in fact
16 operating in accordance with that religious purpose.

17 And we offer, therefore, the -- the video of
18 which has been marked as Exhibit 25A and 25B, and we
19 would also tender that portion -- does the court want a
20 label also on the transcript?

21 ADMINISTRATIVE LAW JUDGE: Yes.

22 MR. BOOTHBY: This will be labeled. We tender
23 Exhibit C, but only that portion which I indicated at
24 the beginning of --

000721

1 ADMINISTRATIVE LAW JUDGE: Why don't we go
2 ahead and remove the beginning portion of it then since
3 it's not going to be part of this exhibit?

4 MR. BOOTHBY: Okay. Thank you.

5 ADMINISTRATIVE LAW JUDGE: So it's just Pages
6 69-184, is that correct?

7 MR. BOOTHBY: It's, let's see, 69-184, that's
8 correct.

9 ADMINISTRATIVE LAW JUDGE: All right.

10 Let the record reflect I'm removing Pages
11 1-68, and I'm going to, excuse me, keep Pages 1 and 2
12 because they identify who was there and the respective
13 parties.

14 So it's Pages 1, 2, 69-184 are part of
15 Applicant's Exhibit 25A, B, and C.

OFFER OF PROOF NUMBER FIVE

1
2 MR. MILLER: Can we continue?

3 ADMINISTRATIVE LAW JUDGE: Yes.

4 MR. MILLER: Okay.

5 Your Honor, the second or another proffer
6 that we have an offer of proof regards Professor Denny
7 Fortin who was a professor, a doctor of theology and a
8 professor at the Seventh-day Adventist Theological
9 Seminary at Andrews University, and I'll incorporate
10 comments from Mr. Boothby that has been made regarding
11 the legal standards involved, how Doctor Fortin's
12 testimony relates to the question of health and
13 stewardship issues and ministry, relating that to the
14 mission and beliefs of the Seventh-day Adventist
15 Church.

16 And he goes into some detail about the
17 history of the Seventh-day Adventist Church and its
18 background and the fact that health issues and
19 temperance issues were part and parcel of the early
20 church's message and part of its ministry. That it
21 views the medical work as, it's called the right arm of
22 the Gospel, and he, I believe for the reasons stated
23 and the cases stated, that this testimony is relevant
24 to this case.

And Professor Fortin produced an expert report which has been supplied to the other side and that summarizes his conclusions. It's a signed report and it basically sets out in a little more detail what I've just expressed to you here and I'd like to tender that to the court.

ADMINISTRATIVE LAW JUDGE: Okay. What have you marked that as?

MR. MILLER: Applicant's Exhibit Number 26.

ADMINISTRATIVE LAW JUDGE: Okay. Thank you.

OFFER OF PROOF NUMBER SIX

1
2 MR. BOOTHBY: Your Honor, we have an
3 offer of proof relating to matters that were contained
4 in the court's order dated September 17, 2002
5 concerning the subpoena that was issued on September 3,
6 2002 to Garth W. Coonce where the court quashed the
7 subpoena, where the court further in its order
8 determined that a variety of things, including that
9 there should be no evidence or arguments or
10 insinuations of other decisions of the Department, any
11 argument that the State of Illinois, be it the
12 Department violated the rights of the Applicant under
13 the equal protection clause, any argument that the
14 Applicant was denied any rights under the first
15 amendment, and also denied or struck the notice to
16 appear and produce issued to Loren Stouffe, which was
17 issued by us on September 13, 2002, and denied the
18 request for issuance of a subpoena for Shane Chaney.

19 The -- we have set forth in, originally
20 without going through all of that in detail, the reason
21 why we believe that a subpoena duces tecum was
22 appropriate as far as Garth W. Coonce was concerned for
23 Tri-State Christian TV, and we would refer to that
24 particular document.

1 In essence, however, we claim that under
2 United States versus Allegheny, 322 U.S. 174 at 176, a
3 1944 case, and Hernandez versus CIR, 490 U.S. 680 at
4 694, a 1989 case, the State is prohibited from
5 differential application of a standard here, the
6 religious purpose provision in the code, based upon
7 constitutionally impermissible differences drawn by the
8 government among religions.

9 We also think that it may not draw
10 distinctions when there is no legislative standard for
11 the court or agency to follow.

12 We claim that the state and, in fact, no
13 governmental department or agency within the state
14 may -- may under Texas Monthly versus Bulletin 489 U.S.
15 One at 14, 1989, act in a manner that, where religious
16 organizations are not treated equally, and that under
17 that case, because every tax exemption constitutes a
18 subsidy, the courts and agencies, quote, must serve a
19 meticulously the circumstances of governmental
20 categories to eliminate as it were religious jury
21 members.

22 We claim that the religious clause of the
23 first amendment requires religious neutrality by courts
24 and agencies as between religious organizations.

1 In keeping with Larson versus Valenta, 456
2 U.S. 228 at 244, a 1982 decision; in George versus
3 Clauson 243 U.S. --

4 ADMINISTRATIVE LAW JUDGE: Mr. Boothby, are
5 you just reciting from your --

6 MR. BOOTHBY: No.

7 ADMINISTRATIVE LAW JUDGE: Because that's all
8 included.

9 MR. BOOTHBY: No. I'm just summarizing, at
10 314.

11 We therefore claim that we should have been
12 permitted to place into evidence certain matters
13 relating to WTCT TV, which we contend operates on the
14 almost identical type of program and is tax exempt or,
15 at least we believe that the evidence shows that it was
16 tax exempt by the Department of Revenue, and we would
17 tender certain exhibits in connection with that.

18 First of all, we would tender and make apart
19 of our offer of proof Applicant's Exhibit Number 27,
20 which is material which was provided to us by counsel
21 for the Department in response to a Request for
22 Production of Documents relating to WTCT, which we
23 believe indicates that it was in fact granted tax
24 exemption, and it also discloses or appears to

000727

1 disclose, and if we had been permitted to have the
2 testimony of the individual from the State that we had
3 requested appear, would indicate that the information
4 that the State sought from this particular similar or
5 substantially the same type of an operation was nowhere
6 close to the type of information demanded of the
7 Applicant in our case.

8 We pointed out, we have pointed out that the
9 only information, the only affidavit provided as to use
10 for this particular exemption that was granted by the
11 State is as follows:

12 This property is used as corporate offices
13 and day to day operations of Tri-State Christian TV,
14 Inc., will handle all corporate personnel and the
15 operations of all stations in the Tri-State Network.
16 We tender Exhibit Number 27.

17 We offer -- we will be offering three
18 separate exhibits that we have obtained from the
19 Williamson County Treasurer's office.

20 Exhibit Number 28 deals with an
21 application -- with the Applicant Exhibit Number --
22 Applicant's Exhibit Number 28 deals with a parcel of
23 property, the legal description of which is contained
24 on the face of it.

000728

1 It involves property. The owner's name is
2 Tri-State Christian TV. It demonstrates a history all
3 the way back to 1987, 1988 up to the present time
4 showing that that property having an equalized
5 assessment value of \$53,227 was in fact tax exempt.

6 We offer Applicant's Exhibit Number 29, which
7 shows another parcel, a receipt from the -- the billing
8 from the Williamson County Treasurer's office together
9 with the history. Again, the owner is Tri-State
10 Christian TV with the business, the legal description
11 shown on the front.

12 This had an equalized assessment value of
13 \$18,471 and appears to have been tax exempt throughout
14 the period of time.

15 And Exhibit Number, Applicant's Exhibit
16 Number 30, this was another parcel. The owner being
17 named Tri-State Christian TV with the legal description
18 appearing on its face, having equalized assessment
19 value of \$466,772. Again showing that it was tax
20 exempt all the way back to the 1987, 1988 years to the
21 present time.

22 Twenty nine?

23 ADMINISTRATIVE LAW JUDGE: No, this is 30.

24 MR. BOOTHBY: Thirty. I can't read it.

000723

1 We offer Applicant's Exhibit Number 31, which
2 is a program schedule showing similar type of
3 programming, including health and nutrition seminars,
4 Vital Link, a nutritional type program; Heart Link
5 Letter, Carol Lawrence. This is the program schedule
6 for WTCT, which was produced on the tax exempt
7 property.

8 And we believe if we had been able to have
9 the testimony of Coonce, that he would have testified
10 that it was in fact tax exempt and be able to verify
11 that the programming is similar to the programming
12 provided by Three Angels Broadcasting Network.

13 We would also tender Applicant's Exhibit
14 Number 32, which shows that, Your Honor, which shows at
15 least two programs where they are in an inframercial
16 type of presentation, hawking books and supplements, of
17 formula supplements to supplement, apparently to take
18 care of cancer problems and all kinds of problems at
19 substantial amounts of money with the -- with the
20 stations 1-800 number constantly on the screen type of
21 activity, which are -- which we would be able to show
22 was something very much more commercial than anything
23 ever brought out in these proceedings.

24 We would tender all of these documents to

1 demonstrate that there is inequality of tax exemption,
2 that the -- the Department is not drawing the line with
3 an even hand as between that which is taxed and that
4 which is exempt.

5 MR. MILLER: Perhaps you didn't get five
6 copies of the Denny Fortin report, which was the second
7 tendered item.

8 How many do you have? Just one.

9 ADMINISTRATIVE LAW JUDGE: They just need
10 copies. The only thing I need copies of are the videos
11 and something that we cannot duplicate.

12 Did you get copies of --

13 MS. PETTY: Yes. Well, there is videotapes of
14 the Wilson dep that we don't have a copy, but I assume
15 you don't need five copies of that.

16 ADMINISTRATIVE LAW JUDGE: If I send something
17 up, what I'm talking about is sending it up on appeal,
18 and whatever I get in if it's at all possible, because
19 I have to certify that this is as complete a record as
20 I can get my hands on, so I would prefer to keep the
21 copies.

22 MS. PETTY: Oh, we don't need it. You just
23 don't have five copies.

24 ADMINISTRATIVE LAW JUDGE: I do of the Wilson,

OFFER OF PROOF NUMBER SEVEN

1
2 MR. BOOTHBY: The final offer of proof, Your
3 Honor, is an affidavit which we promised the court,
4 which was executed by Danny Shelton who indicates in
5 his affidavit that he has knowledge of the Tri-State
6 Christian TV located in Marion.

7 He has been personally on the site. He has
8 viewed it from time to time over the years, and that
9 the only apparent major distinction between WTCT TV and
10 Three Angels Broadcasting Network is that WTCT
11 programming acquires to sell books, CDs, tapes, health
12 related formulas by inframercial type programs with the
13 interviews of individuals urging the purchase of the
14 selected merchandise and display of the station's 1-800
15 ordering telephone number and display of credit cards
16 accepted.

17 ADMINISTRATIVE LAW JUDGE: Can I ask a
18 question just for clarification?

19 MR. BOOTHBY: Sure.

20 ADMINISTRATIVE LAW JUDGE: These are all under
21 Tri-State Christian TV.

22 Is the W, does that stand for --

23 MR. BOOTHBY: It's the same. WTCT is the call
24 letters for Tri-State Christian Television.

000733

1 ADMINISTRATIVE LAW JUDGE: Okay. You've used
2 those interchangeably and I just wanted to make sure
3 they were the same entity. Thank you.

4 MR. BOOTHBY: Thank you, Your Honor.

5 ADMINISTRATIVE LAW JUDGE: Okay. Where is the
6 program schedule?

7 MS. PETTY: Thirty-one.

8 MS. RHOADES: That's 31.

9 ADMINISTRATIVE LAW JUDGE: I know. Sorry. I
10 was just trying to find it physically.

11 Anything else?

12 MR. MILLER: Your Honor, no, I don't think we
13 have any further offers of proof.

14 (This concluded the offers of proof.)

16

17

18

19

20

21

22

23

24

000734

1 MS. PETTY: With regard to the evidence that
2 was proffered in the offer of proof, and I'm just going
3 to list them, Exhibit 27-32.

4 I know they're offers of proof, but in the
5 event they are admitted I just need to make an
6 objection that none of these documents were ever
7 previously disclosed or produced in discovery, and I
8 think there is foundational problems with them, such
9 that even if this type of testimony were admissible,
10 this actual evidence would not be.

11 ADMINISTRATIVE LAW JUDGE: Okay.

12 MS. RHOADES: The other thing, if I can
13 interject, with respect to I believe it's 31 and 32,
14 which is the program schedule and the actual footage, I
15 believe those are for actually things that are
16 occurring on that other property during the year 2002
17 and not at the same relevant time period that we're
18 looking at the tax exemption on this parcel of
19 property.

20 ADMINISTRATIVE LAW JUDGE: Thank you for the
21 clarification.

22 MR. BOOTHBY: May I respond just briefly?

23 ADMINISTRATIVE LAW JUDGE: Yes.

24 MR. BOOTHBY: With reference to the foundation

1 question, of course with reference to Tri-State
2 Christian television, we had sought to get the current
3 president to testify and when there was an objection to
4 that we then attempted to get a subpoena for the person
5 that had specifically been listed on our perspective
6 list of witnesses.

7 The other person had only been identified as
8 a current officer. We believe that either one of those
9 two individuals had been required to appear and testify
10 we would not have the foundation problem.

11 With reference to, I don't think there is a
12 foundation problem with reference to Ted Wilson since
13 counsel for -- for the Intervenor was present as to
14 whether there might be some portion --

15 MS. PETTY: I'm sorry, we're not --

16 MS. RHOADES: We didn't include that.

17 MR. BOOTHBY: So with reference to the State's
18 witness who we had both issued and sent a notice to
19 appear, as well as the request for subpoena, we believe
20 that if the individual had been here that individual
21 would have been able to identify the documents as being
22 documents of this Department, which this court can take
23 judicial notice of as I understand it under Illinois
24 law.

000736

1 In addition to that, these documents were
2 furnished to us by the Department in response to our
3 request for production of documents, and I understood
4 that to be representing the fact that they were in fact
5 documents that were in fact part of the record here in
6 the Department of Revenue.

7 MR. MILLER: Just to add for the record that
8 the Motion to Quash that was filed on these witnesses
9 for WTCT. The motion wasn't actually served on
10 Applicant's attorneys.

11 MR. BOOTHBY: We never saw it.

12 MR. MILLER: No notice of it. Not the Motion
13 filed by opposing counsel here, but counsel for WTCT.
14 The ruling came down before we had actually seen that
15 motion.

16 ADMINISTRATIVE LAW JUDGE: Okay.

17 MR. MILLER: And we still haven't.

18 MR. BOOTHBY: And my understanding is that
19 when Mr. Coonce was actually served the subpoena he
20 said it was already taken care of. It was quashed
21 already, so he didn't have to worry about it.

22 MR. STEINKAMP: Is he a lawyer?

23 MR. BOOTHBY: No. He's President of WTCT of
24 Tri-State Christian Television.

000737

1 ADMINISTRATIVE LAW JUDGE: Okay. Is there
2 anything else?

3 MS. PETTY: No.

4 MR. MILLER: Nothing further, Your Honor.

Three Angels Broadcasting Network
Property Tax Number 174-116-11

RECEIVED
DEPT. OF REVENUE

APR 06 2001

EXEMPTION SECTION

Dear Mr. Bower:

Please be advised that I represent Three Angels Broadcasting Network and am writing this letter to say that my client does not agree with the decision dated March 22, 2001, which denied the application for property tax exemption. This letter is an amendment to my earlier request for formal hearing dated April 2, 2001. Attached is a copy of the Department of Revenue's March 22, 2001, Denial.

Please consider this to be a written request for a formal hearing.

The determination is erroneous both in its holding that the property is not in exempt ownership and that the property is not in exempt use. The decision was mistaken in that the property is owned and used by a corporation organized for religious and/or charitable purposes and operated exclusively for religious purposes pursuant to 35 ILCS 200/15-40 for the spreading of the Gospel and/or owned and used for a charitable purpose under the provisions of 35 ILCS 200/15-65 for the same objective. The decision by the Illinois Department of Revenue failed to apply the decisions of *Inter-Varsity Christian Fellowship of the United States v. Hoffman*, 62 Ill.App.3d 798, 290 Ill. 108, 379 N.E.2d 815 (1978), and *Congregational Sunday Sch. & Publishing Soc'y v. Bd. of Review*, 125 N.E. 7 (1919). Therefore, the decision is in error and should be reversed.

Three Angels Broadcasting Network will present additional evidence that it was organized to develop, plan, promote, produce, and direct, in cooperation with various religious organizations, all types of religious programming for electronic transmission for television and radio broadcasting throughout the world. We will submit evidence that: (1) the corporation is a 501(c)(3) nonprofit corporation that has continually since its founding operated consistent with the above purpose and has been exclusively engaged in the spreading of the Gospel of Jesus Christ through its electronic evangelistic ministry; (2) it also maintains a pastoral staff which is currently composed of four full-time pastors; (3) it supports Seventh-day Adventist evangelistic ministries throughout the world; (4) on its properties, it houses a local Seventh-day Adventist Church; and (5) its religious ministry is committed to the proclamation of the teachings of Bible truth as formulated in the 27 Fundamental Beliefs of the Seventh-day Adventist Church with which it maintains a formal agreement to provide its resources to support the mission of and work in cooperation with the Seventh-day Adventist Church.

We will also show that: (1) benefits derived are all provided for an indefinite number of persons for their general spiritual welfare; (2) the corporation has issued no capital stock nor has shareholders; (3) funds are derived from charity and held in trust for purposes expressed in the organization's corporate charter; (4) charity is disbursed for such purpose; (5) no obstacles are placed in the way of those seeking spiritual benefits provided by the organization; (6) the primary use of the property is for religious and/or charitable purposes; and (7) there is no personal emurement.

The decision of the Illinois Department of Revenue is contrary to the Religion Clauses of the First Amendment to the United States Constitution in that other similar organizations, including television ministries almost identical to 3 ABN's Christian ministry, receive tax exemption in Illinois. Thus, denial of tax exemption to the Three Angels Broadcasting Network would violate the neutrality requirements of the Religion Clauses of the First Amendment contrary to the teachings of the Supreme Court in *Walz v. Tax Comm'n of New York City*, 397 U.S. 664, 696 (1970), wherein the Court stated that neutrality in the application of the Establishment Clause "requires an equal protection mode of analysis." Also, in *Church of Lukumi Babalu Aye v. Hialeah*, 508 U.S. 520, 534 (1993); citing *Gillette v. United States*, 401 U.S. 437, 452 (1971), the Court stated that "the Free Exercise Clause, like the Establishment Clause, extends beyond facial discrimination. The Clause 'forbids subtle departures from neutrality.'" Three Angels Broadcasting Network will submit evidence of the unequal application of the religious and charitable use exemptions within the State of Illinois.

The decision also violates Art. 1, sec. 3, of the Illinois Constitution of 1970 which requires "[t]he free exercise and enjoyment of religious profession and worship, without discrimination" and proscribes "any preference be[ing] given by law to any religious denomination or mode of worship."

Finally, the decision violates that part of 775 ILCS 35/15 which provides that government may not substantially burden the free exercise of religion unless it demonstrates the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that compelling governmental interest. The government failed to so demonstrate, and we will show that the decision would substantially burden the free exercise of religion.

Franklin County Board of Review:

We would, adamantly, like to register our opposition to the request from Three Angels Broadcasting Network, Inc. for property tax exemption. Being a small community, population 600, we are dependent upon each and every tax dollar that we receive. We have worked hard over the years to maintain good streets, lighting, and upgrade our municipal sewer and water systems. This is all done with tax monies and these are all services the Three Angels Organization has benefited from since moving into this village. We do not object to anyone moving into our community, but we certainly object to someone moving in, benefiting from it, and then attempting to brush aside or shift their responsibilities.

We know this organization does own a church building, and we are in total agreement that that piece of property should be considered tax exempt. But the property in question is a television broadcasting station and common knowledge is that they are bringing in large amounts of money, large enough to continue buying up property in this community, and what is to be the outcome? Are they going to petition that all their properties be taken out of taxation? And, will that not be economically devastating to our tax-supported entities in this community? We firmly believe it will, and we strongly urge you to deny their request for tax exemption.

Please feel free to contact us at (618)627-2815.

OCTOBER 4, 2000

Franklin County Board of Review:

As you know, Three Angels Broadcasting Network, Inc. has filed an Application for Property Tax Exemption. As we are certain you are also aware, allowing this entity to be tax-free would greatly decrease funding for Cave Township government and Cave Township road maintenance. Please allow us to explain further; The building and grounds that this company is attempting to claim exempt is presently valued at \$505,500. Exempting this property from the proper taxation would cost our township alone over \$5,276.

It is commonly known that a Church, as a religious and non-profit organization, should be exempt from most taxes. However, the property in question is a television studio-not a Church. They have paid taxes to this Township for several years knowing that it is a profitable organization that should pay its fair share. What has changed? Furthermore, this organization that claims to be non-profit has plenty of profits for land purchases. They have purchased and are continuing to purchase property in great amounts throughout our township. Will that property also be considered for exemption since it is owned by a religious organization? If so, this will devastate our Township.

The Cave Township Board has passed a Resolution objecting to the Tax Exemption on property owned by Three Angels Broadcasting Network, Inc.

In closing, Cave Township asks that you deny the tax exemption on Three Angels Broadcasting Network, Inc. If you need more information, or if you would like to have a Cave Township representative discuss facts concerning this issue, please call 618-627-2221.

Re: IL Dept of Revenue Docket No. 01-28-7.
Three Angels Broadcasting Network
Property Tax Number 174-116-11

Dear Mr. Bower:

Please be advised that I represent Three Angels Broadcasting Network and am writing this letter to say that my client does not agree with the decision dated January 4, 2002, which denied the application for property tax exemption. Attached is a copy of the Department of Revenue's January 4, 2002 Denial.

Please consider this to be a written request for a formal hearing.

The determination is erroneous both in its holding that the property is not in exempt ownership and that the property is not in exempt use. The decision was mistaken in that the property is owned and used by a corporation organized for religious and/or charitable purposes and operated exclusively for religious purposes pursuant to 35 ILCS 200/15-40 for the spreading of the Gospel and/or owned and used for a charitable purpose under the provisions of 35 ILCS 200/15-65 for the same objective. The decision by the Illinois Department of Revenue failed to apply the decisions of *Inter-Varsity Christian Fellowship of the United States v. Hoffman*, 62 Ill.App.3d 798, 290 Ill. 108, 379 N.E.2d 815 (1978), and *Congregational Sunday Sch. & Publishing Soc'y v. Bd. of Review*, 125 N.E. 7 (1919). Therefore, the decision is in error and should be reversed.

Illinois Department of Revenue

Three Angeles Broadcasting Network will present additional evidence that it was organized to develop, plan, promote, produce, and direct, in cooperation with various religious organizations, all types of religious programming for electronic transmission for television and radio broadcasting throughout the world. We will submit evidence that: (1) the corporation is a 501(c)(3) nonprofit corporation that has continually since its founding operated consistent with the above purpose and has been exclusively engaged in the spreading of the Gospel of Jesus Christ through its electronic evangelistic ministry; (2) it also maintains a pastoral staff which is currently composed of four full-time pastors; (3) it supports Seventh-day Adventist evangelistic ministries throughout the world; (4) on its properties, it houses a local Seventh-day Adventist Church; and (5) its religious ministry is committed to the proclamation of the teachings of Bible truth as formulated in the 27 Fundamental Beliefs of the Seventh-day Adventist Church with which it maintains a formal agreement to provide its resources to support the mission of and work in cooperation with the Seventh-day Adventist Church.

We will also show that: (1) benefits derived are all provided for an indefinite number of persons for their general spiritual welfare; (2) the corporation has issued no capital stock nor has shareholders; (3) funds are derived from charity and held in trust for purposes expressed in the organizations' corporate charter; (4) charity is disbursed for such purpose; (5) no obstacles are placed in the way of those seeking spiritual benefits provided by the organization; (6) the primary use of the property is for religious and/or charitable purposes; and (7) there is no personal inurement.

The decision of the Illinois Department of Revenue is contrary to the Religion Clauses of the First Amendment to the United States Constitution in that other similar organizations including television ministries almost identical to 3ABN's Christian ministry, receive tax exemption in Illinois. Thus, denial of tax exemption to the Three angels Broadcasting Network would violate the neutrality requirements of the Religion Clauses of the First Amendment contrary to the teachings to the Supreme Court in *Walz v. Tax Comm'n of New York City*, 397 U.S. 664, 696 (1970), wherein the Court stated that neutrality in the application of the Establishment Clause "requires

an equal protection mode of analysis." Also, in *Church of Lukumi Babalu Aye v. Hialeah*, 508 U.S. 520, 534 (1993), citing *Gillette v. United States*, 401 U.S. 437, 452 (1971), the Court stated that "the Free Exercise Clause, like the Establishment Clause, extends beyond facial discrimination. The Clause 'forbids subtle departures from neutrality.'" Three Angels Broadcasting Network will submit evidence of the unequal application of the religious and charitable use exemptions within the State of Illinois.

The decision also violates Art. 1, sec. 3, of the Illinois Constitution of 1970 which requires "[t]he free exercise and enjoyment of religious profession and worship, without discrimination" and proscribes "any preference be[ing] given by law to any religious denomination or mode of worship."

Finally, the decision violates that part of 775 ILCS 35/15 which provides that government may not substantially burden the free exercise of religion unless it demonstrates the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that compelling governmental interest. The government failed to so demonstrate, and we will show that the decision would substantially burden the free exercise of religion.

Sincerely,

D. Michael Riva

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section ~~509(a)(2)~~.

Dear Sir or Madam:

This letter is in response to your request for affirmation of your organization's tax exempt status.

Our records indicate that a determination letter issued in May 1986 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(2).

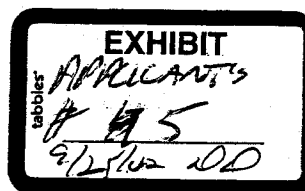

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

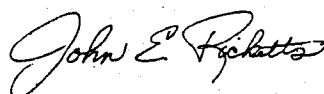

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

3ABN Around the World

There was no rudder on Noah's Ark - because God did the steering,
and there's no rudder on 3ABN's ministry, because again, God does the steering!

Beginning with a simple belief that "where God guides, He provides," Three Angels Broadcasting Network has grown into a worldwide television and radio network that blankets every inhabited continent in the world with the Three Angels Messages of Revelation 14.

Since 1986 we have wrapped our love for Jesus in packages we call "programming." These programs include the health message, evangelism, music, family, children's programming, and much more. This programming is then beamed around the planet in a matter of seconds.

Through this video presentation we want to show how we are able to beam the gospel to searching hearts and homes throughout the world.

From our headquarters in Illinois we beam both our television and radio signal up to GE-4 twenty four hours a day. This high-powered digital satellite can be received in most of North America with a 36-inch dish available from 3ABN. Those living in Hawaii, the Caribbean and Central America can also receive the signal using a larger dish which is also available from 3ABN. In addition to English, the satellite also includes our occasional transmissions in Spanish, Portuguese and Romanian.

For U.S. viewers 3ABN's television signal is also carried on the Dominion Sky Angel system, a package of 36 TV and Radio channels of family-friendly programming. This subscription package can be viewed with an 18-inch dish system from the Dish Network.

Another transmitter beams the good news of the gospel to the PAS-9 satellite, which covers all of North, Central and South America, as well as Europe. Once again, both 3ABN's television and radio signals are carried by this satellite. Using PAS-9, 3ABN will be able to launch multiple-language broadcasts in the future, in addition to our regular English language programming.

3ABN is picked up in Rome, Italy and re-transmitted through a teleport to the Hotbird system, one of Europe's most watched direct-to-home services! Hotbird has an incredible ninety-two million, eight hundred and thirty thousand potential viewers! Incidentally, 3ABN is a "free" channel to all those picking up the Hotbird signal.

The last step of the journey for 3ABN's signal involves a teleport in Jerusalem, which retransmits our television and radio programming up to the Thaicom-3 satellite. This powerful digital C-band satellite stretches the reach of the gospel from Africa to Australia, and from the Middle East to the Far East!

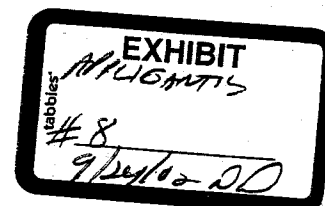

In fact, it's the Thaicom-3 satellite that provides the signal to our new full power television station in Manila, Philippines. This strong beacon of the gospel reaches over 20 million potential viewers 24 hours a day with the three angels messages!

Cable is another way for 3ABN to reach into homes with the undiluted gospel. Cable providers are helping us reach hundreds of thousands more.

We also have a network of 109 television broadcast stations across North American and the Caribbean that are able to bring hope and salvation to countless millions.

But that's not all. 3ABN television and radio networks are also available over the Internet 24 hours a day anywhere in the world! And, to make the picture and sound as clear as possible, 3ABN uses a special private high-speed network to feed the signal directly to your Internet Service Provider. The result is amazing picture and sound quality for high-speed Internet users. This allows 3ABN Television and Radio to be much more appealing than most other streaming feeds!

We believe that the Lord has provided this technology so that His end-time message would reach every nation, kindred, tongue and people. Thank you for helping us stretch the reach of the gospel through Three Angels Broadcasting Network.

Joint Declaration of Commitment

by the
General Conference of Seventh-day Adventists and Three Angels Broadcasting Network

The General Conference of Seventh-day Adventists and Three Angels Broadcasting Network are committed to faithfulness to God's Word and loyalty to Bible truth as formulated in the 27 Fundamental Beliefs of the Seventh-day Adventist Church. We believe that our shared commitment to world evangelism through media compels us to seek ways to cooperate in the task of reaching the world for Christ. We believe that much more can be accomplished to hasten the Lord's return through cooperation in an atmosphere of mutual trust and confidence.

As leaders of Three Angels Broadcasting Network (3ABN), we commit ourselves to:

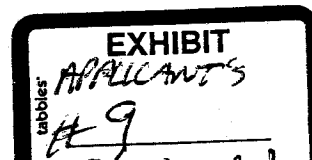

- A. Offer our resources in accordance with 3ABN's operational policies to support the mission of, and work in cooperation with, the Seventh-day Adventist Church in the proclamation of the everlasting gospel to the entire world.
- B. Proclaim the gospel in its purity and simplicity while being sensitive to the unique cultures of people in countries around the world.
- C. Reiterate our endorsement of the concept of the Seventh-day Adventist Church organization as set forth in the book *Seventh-day Adventists Believe*, Chapters 11-13, and in the writings of Ellen G. White.
- D. Recognize the local and regional constituent responsibility and leadership in administering activities and operations of the Church in their territory.
- E. Restate our support for integrating new members into the body of Christ and, more specifically, encouraging membership in the Seventh-day Adventist Church around the world.

As administrators of the General Conference of Seventh-day Adventists (GC), we commit ourselves to:

- A. Reaffirm the profound spiritual truth that God calls and empowers both individuals and supporting ministries who are committed to the mission of the Seventh-day Adventist Church, to join with the Church, its institutions and organizations in the proclamation of the gospel.
- B. Establish such official communication and planning forums, including supporting ministries such as 3ABN, with world and divisions leaders as may be appropriate.
- C. Encourage General Conference departments, world divisions, and Church institutions to utilize the services of 3ABN for production and distribution of programming as may be appropriate, with the understanding that the agreements between the applicable Seventh-day Adventist organizations and 3ABN, include—at a minimum—that the financial arrangements and copyright ownership be documented in writing.
- D. Encourage Seventh-day Adventist Church organizations to submit programming for distribution on 3ABN with the recognition and understanding that 3ABN will review all programming.
- E. Encourage the fostering of a spirit of unity and cooperation between all organizations of the Seventh-day Adventist Church and 3ABN.

Our Common Vision:

Includes strategic planning sessions, counseling on matters of common interest, praying, dreaming and planning together. We welcome the opportunity to join together in coordinating and executing the global mission of reaching every nation, kindred, tongue and people with the message of the saving grace of Christ and His soon coming in the context of the Great Controversy and the Three Angels' Messages of Revelation 14.

000793.

Issues Resolution:

We recognize that as Christians, even with the best of intentions, differences can arise. We agree to the following Issues Resolution Process in harmony with the counsel of Matthew 18 to keep the cooperative spirit between us healthy.

In the event of a disagreement between 3ABN and a world Division of the Seventh-day Adventist Church regarding programming which the the Division Executive Committee believes is detrimental to the mission of the Church, then;

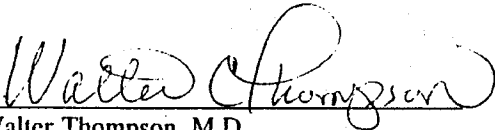

Step One: Representatives of both entities will communicate informally and, in a spirit of cooperation, attempt to resolve the issue.

Step Two: If the issue is not resolved informally, the parties can request the appointment of a mediator, jointly selected by the Chairman of the Board of 3ABN and a representative of the General Conference Administrative Committee (GCADCOM) on behalf of whatever entity of the Seventh-day Adventist Church is involved. The mediator will carefully examine and consider the matter and report the recommendations and conclusions to both the representative of the GCADCOM and the Chairman of the Board of 3ABN.

Step Three: Should the issue continue to be unresolved, then a Special Issues Resolution Committee (SIRC) will be established to examine, consider, and resolve the issue/s. 3ABN and the affected Church organization will each select three individuals to serve as members of the SIRC. These six members, meeting with a temporary facilitator provided by GCADCOM, will jointly select a chairperson, a seventh member of the SIRC, who must be agreed to by the representatives of all three parties. The SIRC will act in a timely manner, and the Chairperson will provide written recommendations and conclusions for presentation to the governing boards of all affected parties. The expectation is that all governing boards will agree to abide by the recommendations and conclusions of the SIRC. In the unlikely event that 3ABN or the affected organization chooses not to abide by the recommendations and conclusions of the SIRC, the cooperative efforts of the parties as indicated in this Joint Declaration will terminate and all parties agree that no civil court has jurisdiction in these matters.

With eager anticipation of God's rich blessing on our renewed commitment to work together in our mutual efforts, we execute this Joint Declaration of Commitment this 4th day of November, 1997.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Three Angels Broadcasting Network, Inc.

We have audited the accompanying statement of financial position of Three Angels Broadcasting Network, Inc. (a nonprofit organization) as of December 31, 2000, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as discussed in the sixth paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Downlink equipment acquired by gift is not recorded in the financial statements. In our opinion, generally accepted accounting principles require that such donated property be recorded at its fair value at the date of receipt. It was not practicable to determine the effects of the unrecorded equipment on the financial statements.

Charitable gift annuity agreements have been recorded at fair value when received as an asset and an offsetting liability. In our opinion, generally accepted accounting principles require that the assets received be recognized at fair value, and an annuity payment liability be recognized at the present value of future cash flows expected to be paid to the donor. Contribution revenue should be recognized as the difference between these two amounts. It was not practicable to determine the effects of the unrecorded contribution revenue on the financial statements.

Three Angels Broadcasting Network, Inc.'s statement of activities does not disclose the amount of change in permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets, as required by Statement of Financial Accounting Standards No. 117. In our opinion, disclosure of this information is required by generally accepted accounting principles.

In connection with the recording of real estate revocable trusts, the fair values of the trusts were based on internal estimates performed by the Organization. We were unable to obtain sufficient evidential matter in connection with the estimates of fair value.

In our opinion, except for the effects of the items discussed in the third through fifth paragraphs, and except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to apply adequate procedures to the real estate revocable trusts as discussed in the sixth paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Three Angels Broadcasting Network, Inc. as of December 31, 2000, and the changes in its net assets and its cash flows for the year then ended in conformity with auditing standards generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The Schedule of Program Service Expenses and Schedule of Supporting Service Expenses are presented for purposes of additional analysis and are not required parts of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except for the effects of such adjustments, if any, for the items mentioned in the preceding paragraphs, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Three Angels Broadcasting Network, Inc.

We have audited the accompanying statement of financial position of Three Angels Broadcasting Network, Inc. (a nonprofit organization) as of December 31, 2001, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as discussed in the fourth paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Downlink equipment acquired by gift is not recorded in the financial statements. In our opinion, generally accepted accounting principles require that such donated property be recorded at its fair value at the date of receipt. It was not practicable to determine the effects of the unrecorded equipment on the financial statements.

In connection with the recording of real estate revocable trusts, the fair values of the trusts were based on internal estimates performed by the Organization. We were unable to obtain sufficient evidential matter in connection with the estimates of fair value.

In our opinion, except for the effects of the items discussed in the third paragraph, and except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to apply adequate procedures to the real estate revocable trusts as discussed in the fourth paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Three Angels Broadcasting Network, Inc. as of December 31, 2001, and the changes in its net assets and its cash flows for the year then ended in conformity with auditing standards generally accepted in the United States of America.

3 000816

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The Schedule of Program Service Expenses Schedule of Supporting Service Expenses are presented for purposes of additional analysis and are not required parts of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except for the effects of such adjustments, if any, for the items mentioned in the preceding paragraphs, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2001

1. SIGNIFICANT ACCOUNTING POLICIES

- a. Nature and purpose of operations. Three Angels Broadcasting Network, Inc. is an Illinois nonprofit corporation chartered March 26, 1985. Its purpose is exclusively religious in nature and includes, but is not limited to, the development, planning, promotion, production, and direction of all types of religious programming for electronic transmission for television and radio broadcasting throughout the world.

The Organization's primary funding source is individual and corporate contributions.
- b. Principles of presentation. These financial statements are intended to present the financial position, results of operations and cash flows of Three Angels Broadcasting Network, Inc. in conformity with generally accepted accounting principles.
- c. Use of estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- d. Fixed assets and depreciation. Three Angels Broadcasting Network, Inc. reports gifts of land, buildings and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, Three Angels Broadcasting Network, Inc. reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. Purchased fixed assets are carried at cost. Depreciation is computed using the straight-line method over the assets' estimated useful lives.
- e. Cash and cash equivalents. For purposes of reporting cash flows, cash and cash equivalents include unrestricted cash on hand, unrestricted cash in banks, and unrestricted cash invested in money market funds.
- f. Tax status. The Internal Revenue Service has determined that Three Angels Broadcasting Network, Inc. is an exempt organization within the meaning of Section 501(c)(3) of the Internal Revenue Code.
- g. Investments. The Organization has adopted SFAS No. 124, *Accounting for Certain Investments Held by Not-For-Profit Organizations*. Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.
- h. Inventories. Inventories are stated at the lower of cost or market, determined by the FIFO method.

- i. Accounts receivable. Accounts receivable are recorded at their net realizable values. Uncollectible accounts are written off in the year they are deemed uncollectible. Total accounts receivable are shown net of an allowance for uncollectible accounts of \$32,233.34.
- j. Self-Insurance program. The Organization maintains a self-insurance program to fund a portion of certain expected losses related to group health costs. Provisions for losses expected under this program are recorded based on estimates of the aggregate liabilities for known claims and estimated claims incurred but not reported.
- k. Restricted support. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are classified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

11. SPLIT INTEREST AGREEMENTS

Three Angels Broadcasting Network, Inc. is the beneficiary of several irrevocable charitable remainder unitrust agreements under which the assets funding the trusts were transferred to the Organization. Under these agreements, the Organization is to pay certain amounts for specified periods of time to the donors. The assets received are recorded at fair market value in the financial statements. The liabilities under unitrust agreements are recorded at the present value of expected future cash flows to be paid to the donors. Discount rates range from 5.6% to 7.4% in calculating the present value of the liabilities under unitrust agreements. The present value calculations are based upon single or joint life expectancy as applicable.

The Organization is the beneficiary of several revocable trust agreements. Assets received under revocable trust agreements are recorded as assets and refundable advances at fair value when received. Contribution revenue for the assets received is recognized when the agreements become irrevocable or when the assets are distributed to the Organization for its unconditional use.

The Organization is the beneficiary of several charitable gift annuities under which the assets funding the agreements were transferred to the Organization. Under these agreements the Organization is to pay fixed amounts for specified periods of time to the donors. The assets received are recorded at fair market value in the financial statements. The annuity liabilities are recorded at the present value of expected future cash flows to be paid to the annuity beneficiaries. Various discount rates are used in calculating the present values of the annuity liabilities. Present value calculations on some annuities are based upon single life expectancy, while others are based upon double life expectancy.

12. CONTRIBUTIONS RECEIVABLE

Contributions receivable represent December, 2001 contributions received in January, 2002.

13. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Organization's financial instruments, none of which are held for trading purposes, include cash, investments, accounts receivable, accounts payable and notes payable. The Organization estimates that the fair values of all financial instruments at December 31, 2001, other than investments which are recorded at fair value, do not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position. The estimates, however, are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

14. RELATED PARTY TRANSACTIONS

The Organization purchases a portion of their inventory from an entity that is owned by two Board members. Purchases from this entity totaled \$75,000.00 for the year ending December 31, 2001.

15. PRIOR PERIOD ADJUSTMENTS

Subsequent to the issuance of the 2000 financial statements, it was determined that \$75,879.59 of net assets previously classified as unrestricted should have been classified as temporarily restricted. As a result of this determination, a reclassification has been made for this amount as of January 1, 2001. This reclassification had no effect on net income.

Net assets at the beginning of 2001 have been adjusted to record charitable gift annuity revenue earned in prior years of \$2,419,024.21 and charitable remainder unitrust revenue earned in prior years of \$34,008.00.

The statements have also been restated to reflect a reclassification of \$14,282.00, previously reported as temporarily restricted net assets, to funds due to other ministries. The effect of this restatement was to decrease net income for 2000 by \$14,282.00.

16. SUBSEQUENT EVENTS

On June 2, 2002, the Board approved forming Angel Enterprises LLC.

On June 2, 2002, the Board approved donating real estate, with an original cost of \$54,640.00 and accumulated depreciation of \$25,650.00, to the City of West Frankfort, Illinois.

On August 20, 2002, the Board approved obtaining a letter of credit or bond in the amount of \$1,800,000.00.

Dear Three Angels Broadcasting Viewer:

Thank you for requesting our 1999 Video Catalog!

Three Angels Broadcasting Network provides Christ-centered programming 24 hours a day to all of North America and parts of Central America, Europe and North Africa. 3ABN currently has a daily television program airing in Russia and has a world-wide vision of spreading the Three Angels' Messages.

Our 1999 Catalog was designed to help spread the gospel through videotape and audiotape distribution. This catalog lists many familiar 3ABN guests and programs that deal with a wide variety of topics. From Bible Study to Music, Health to Family Topics, you're sure to find many wonderful hours of programming in these pages.

We pray for each of you as you enjoy these programs. Please share them with others, too. Together we can bring hope and healing to a lost and dying world through the power of God's Word!

With His love and ours,

Danny & Linda Shelton

Dear Family,

Something much bigger and far-reaching than Pentecost is happening right now! Our Lord is pouring out tidal waves of technology which is allowing the gospel to penetrate into areas where it previously has not reached. Think about it for a moment: What would Peter or Paul say if they saw an inanimate box (a television) speaking the Gospel in someone's home? How would they respond to the Gospel being preached as people traveled from place to place in their "chariots"? There's no doubt their excitement would be incredible! Our excitement needs to be doubly so!

Last day events are happening around us in technicolor! God does not want us to just observe them, He wants each of us to participate in them . . . and right now He is multiplying our efforts with technology that can speak for us. Today it is within our reach to have not just a few, but many, many Bible studies going simultaneously using video and cassette tapes. That's why we are making our latest video and cassette catalog available to you! Just as Moses used Aaron to speak for him, why not use these tremendous tools to broaden your witness in your community!!

We believe your efforts will be ABUNDANTLY blessed by our heavenly Father! Please write and let us know the miracles that happen as God uses you in an incredible way to spread the love of Jesus, and to "set the captives free!" And don't forget, the Bible says you are "precious in His sight," and we want you to know you're very special to us too! GOD BLESS YOU!!

His love & ours,

Danny & Linda Shelton
& YOUR 3ABN Family

Digital means you'll get crystal-clear video reception and CD-quality audio. Also, our signal has no subscription fees and no monthly charges.

Our system comes with detailed instructions, or you may choose to have it assembled by your local installer.

Broader coverage, more options

About 3ABN

Three Angels Broadcasting Network is a nonprofit organization with the vision to "Reach Broken People" through the powerful messages of God's Word. The 3ABN Media Group accomplishes this goal with a 24-hour-a-day television network, a 24-hour-a-day radio network and also the far-reaching ministry of 3ABN Music.

3ABN programming addresses the most often encountered problems people face, offering solutions through health, lifestyle and spiritually motivating programs, as well as programming addressing family issues, addictions and social problems. There's something for everyone in 3ABN's wide variety of programs.

Presently 3ABN Television and 3ABN Radio are carried on five satellites, saturating every inhabited continent. This programming is carried globally on over 200 stations and over 200 cable systems. 3ABN Television is also available in DISH Network's Dominion Sky Angel package.

Three Angels Broadcasting Network started in November of 1984 when Danny Shelton was impressed to build a television station which would reach the world. A step of faith, with God's blessing, has made 3ABN a reality today!

A Note From Danny & Linda

Dear Family of God,

We can learn so much from history simply because through it we can see what works and what doesn't work. For example, the church history books point out that during the colonial period of American history the Episcopalians, Congregationalists and Presbyterians had the most churches in America, and they used only formally educated clergy in their churches. But in the early 1800s the Methodists and the Baptists started making their mark in America. They believed in using laymen to spread the Gospel and as a result the numbers of their churches grew at a jet-propelled rate of speed! In fact, the Baptists and Methodists went from about 2,700 congregations in the year 1820 to over 30,000 congregations in the year 1860. The Congregationalists and Episcopalians increased from about 1,700 congregations to a little over 4,000 congregations in the same period of time. The difference was the activation, motivation, inspiration and dedication of the laypeople!! Laypeople... that's you and me! But this key to evangelism was not first instituted by the Baptists and Methodists. This principle was ordained by God a long time ago! God says, "You are my witnesses that I am God." (Isaiah 43:12)

Someone once said, "Nothing great was ever achieved without enthusiasm." Studies have shown that enthusiasm is the most effective and most important factor when influencing people in sales, in advertising, in getting things accomplished and in... EVANGELISM! Enthusiasm is a word that's derived from two Greek words. The "en" means "in," and the "theos" or "-thusiasm" means "God." So enthusiasm really means "God in us." This enthusiasm was something that was very much in evidence in people throughout the Bible. For example Acts 6:8 says, "And Stephen full of faith and power did great wonders and miracles among the people... [verse 10] and they were not able to resist the wisdom and the spirit by which he spake." Here's another one. Acts 4:13 says, "Now when they saw the boldness of Peter and John and perceived that they were uneducated and untrained men, they marveled and they realized that they had been with Jesus." That's "enthusiasm" in action! And this is the miracle that God wants to perform in you and me today! And by the way... Stephen, Peter and John just happened to be laymen!

Three Angels Broadcasting Network is a movement of the LAYPEOPLE! And on behalf of our God, we'd like to challenge you to join us, because we're living in a time when we need "All hands on deck!!" We need your prayers, your participation and your support like never before!!

Now's the time to get excited, get "enthused" and to "Catch the Vision" of our soon-coming Savior!! GOD BLESS YOU!!

His love and ours,

Danny & Linda Shelton
and Your 3ABN Family

"New Guinea Welcomes 3ABN"

The headlines of the main newspaper in Papua New Guinea recently read, "New Guinea Welcomes 3ABN!" One article recorded, "It is a new day for New Guinea. We believe 3ABN's programming will change the nation for the better!" This warm welcome was again underscored when the Governor General, His Excellency Sir Silas Atopare, and his wife visited 3ABN and formally requested 3ABN, on a televised interview, to come to Papua New Guinea.

Recently, two members of PANGTEL (Papua New Guinea Telecommunication Authority) came to visit 3ABN's headquarters and to see firsthand the programming we offer. We were privileged to visit with Mr. Thomas Waim and Mr. Jim Josiah, the Director General and the Chairman of PANGTEL. One morning we visited with Mr. Waim and Mr. Josiah and they said, "We stayed up until 4:00 AM watching 3ABN because we just couldn't turn it off! We believe our people will very much appreciate the programs you have to offer."

God has given 3ABN great favor in the eyes of the people of Papua New Guinea, and as a

result PANGTEL has issued us a license to broadcast 3ABN throughout the entire country, a potential audience of nearly five million souls! They have also verbally given word that a license to build radio stations to cover this country with 3ABN Radio will be made available to us as well. God is swinging the doors to New Guinea wide open . . . and with your help, we're ready to move on this project!

The cost of the television project is only approximately \$1,000,000 to reach literally the entire country! Papua New Guinea is a country with about 850 dialects or languages, yet English is the main language. 3ABN will be one of three channels available in Papua New Guinea, so those "channel surfers" will be sure to find us!

We are so impressed that not only the Governor General, not only PANGTEL, not only the people of Papua New Guinea . . . but our God is crying, "Will you participate in bringing the Gospel to an entire nation? Will you help tell them about our loving Savior Jesus?" Your gift, no matter what the size, makes a big difference . . . and it so warms the heart of our God!

Welcomes 3ABN!"

3ABN A BIG Me

There was no rudder to Noah's Ark . . . because God did the steering. There's no rudder to the ministry of 3ABN because, similarly, God does the steering . . . into the hearts and homes of all nations, kindreds, tongues and peoples!

Our signal is beamed to GE-4, a high-power digital satellite that can be received in most of the USA with a 36-inch digital satellite dish available from 3ABN. This signal can also be received in Hawaii, the Caribbean and Central America by using a larger dish; also available from 3ABN. This digital signal includes 3ABN Television in English and occasional additional channels in Spanish, Portuguese and Romanian. It also includes our new 3ABN Radio Network, 24 hours a day.

A teleport in Florida retransmits our signal received from GE-4, making 3ABN available as a part of the Dominion Sky Angel package of 33 channels of Christian and family-oriented programming.

Another satellite dish beams our signal to a brand-new high-powered satellite just launched by PanAm Sat called PAS-9. It replaces our NSS-806 satellite with wider coverage, which includes all of North, Central and South America, as well as a portion of Europe. This new satellite will enable us

Message to a BIG World!

to begin multiple-language broadcasts in the future, in addition to our regular English language programming!

3ABN is picked up in Europe by a teleport in Paris, which retransmits our signal to the Hot Bird 5 satellite. This high-powered, popular satellite can be received by 90-cm dishes anywhere in Europe, making 3ABN available to 18 million direct-to-home viewers and thousands of cable companies as well!

The last part of the journey for 3ABN's signal begins when it is received and retransmitted by a teleport in Jerusalem to the Thaicom-3 satellite. This powerful digital C-band satellite stretches 3ABN's programming from Africa all the way to Australia. This completes the worldwide transmission of 3ABN Television and 3ABN Radio! As you can see, with worldwide coverage, television stations can be built to reach whole cities like Manila in the Philippines with over 20 million potential viewers. Cable stations can reach millions of homes, and radio stations can rebroadcast 3ABN's signal bringing hope and salvation to millions of listeners around the world. Will you pray? Your prayers make such a difference . . . accelerating God's message reaching the billions of searching hearts. THANK YOU so much!

PROGRAMMING

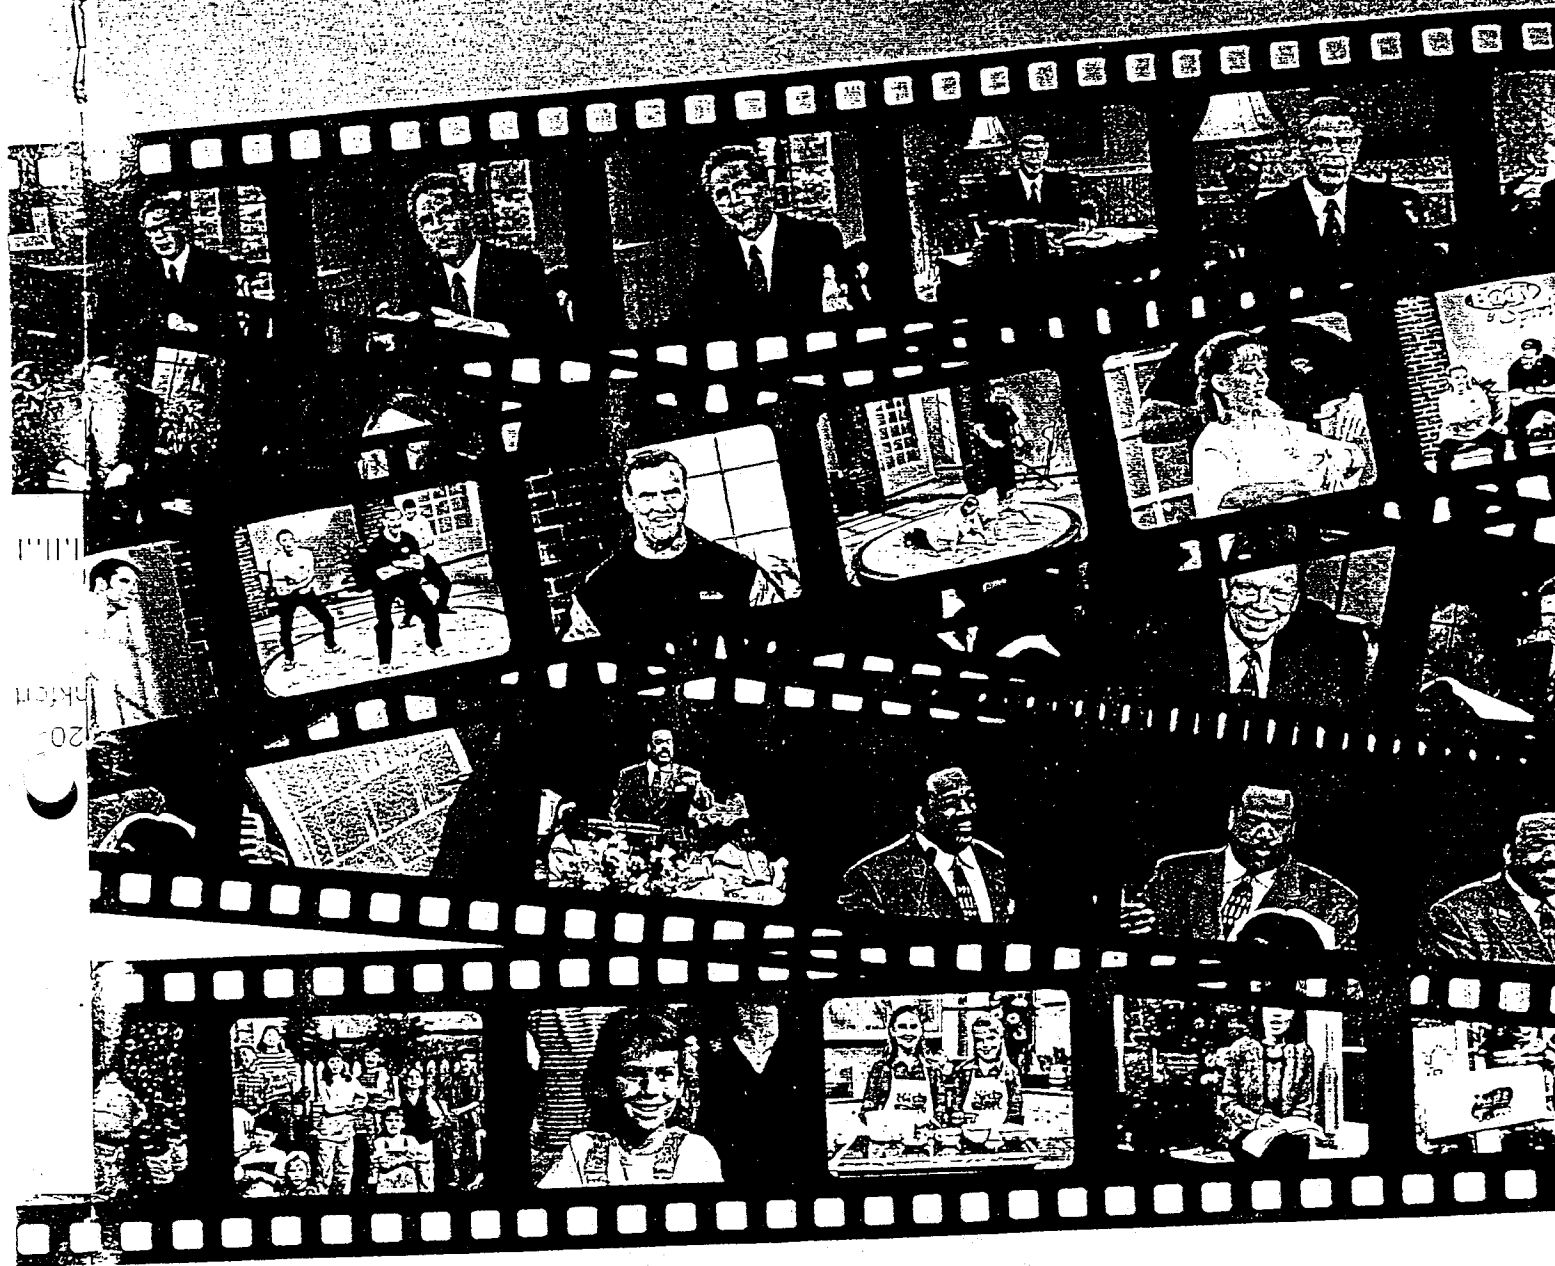

Programming is EVERYTHING at 3ABN, because our programming is possibly the only picture of Jesus that some people will ever see. So we saturate our programming in prayer . . . more prayer . . . and then a lot of hard work.

Pictured here are just a few of the brand new series of programs which were videotaped in our studios and on

the road this year . . . and quite a number are in the developmental stages! Each of the programs illustrated here have something in common with the other. These programs, as well as most of the programs broadcast on 3ABN, were sponsored by 3ABN through supporters like YOU who have a mission. And that mission is sharing a WONDERFUL Savior with our potential worldwide audience of multiple millions!!

400038

Pictures of Jesus!

We use our valuable airtime at 3ABN to share Christ . . . not to hold a series of "beg-a-thons." Yet we use our printed material, like this magazine, to make the needs at 3ABN known. And our 3ABN programming NEEDS YOU! We cherish your prayers and we request your financial support so we can continue the flow of "fresh oil" from heaven to a thirsty world. God says, "You are my witnesses . . . that I am

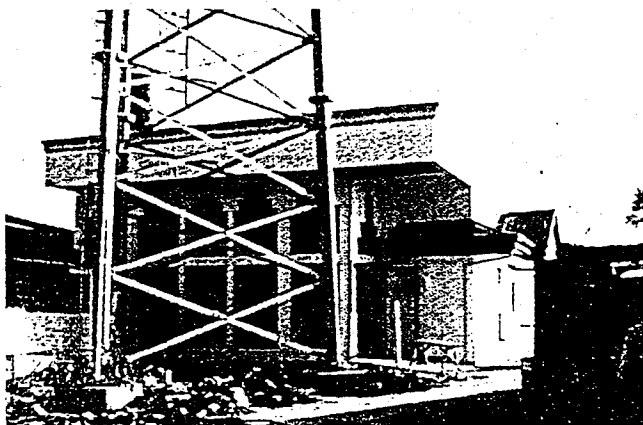

God." (Isaiah 43:12) We'd like to challenge you to let your witness SHINE through the channel of new 3ABN programming. Become a part of the world's minority (the "chosen few") who sponsor Christian television programming . . . which happens to be the *number one* avenue of effective evangelism for our age! Your donation, no matter the size, really makes a difference! THANK YOU SO VERY MUCH!

NEWS

NEW TELEVISION STATIONS! Last year 3ABN applied for 64 low-power television station licenses in what may be the last opportunity to apply for these much-sought-after permits. To date, 13 stations have been approved! Praise God! Please pray for the remaining applications and opportunities to reach hundreds of thousands of new souls with God's liberating message!

NEW CABLE OUTLETS! Our Marketing Department reports 26 cable systems with 147,000 subscribers have added 3ABN to their lineup of programming in the last few months! Praise God! In addition, 3ABN can now be seen on many more "institutional systems" such as hospitals, prisons, nursing home facilities and retirement communities. Your phone calls, letters and petitions to your local cable company really make a difference!

Our 3ABN transmitter in Manila, Philippines.

MANILA, PHILIPPINES • The 3ABN full-power television station which will blanket the Metro-Manila area is completed! This station will potentially reach over 24 million souls 24 hours a day, seven days a week on channel 45! We've encountered a technical hurdle which needs your prayers. We're believing God for a

miracle and claiming this station will be on the air in short time!
3ABN IN AFRICA • Owen Troy, a 3ABN member and 3ABN's Director of International Development, has been spreading the word of 3ABN's availability to the countries of Africa. Satellite dishes are being installed in many homes and churches. In one church in Tanzania, there were 55 baptisms as a direct result of people viewing 3ABN in only 6 months, more than doubling the size of the local church. In South Africa two applications for television stations have been made in major cities. In Zambia 3ABN viewers are working to get 3ABN on the air as a television station. A pastor in Ghana wrote that they "shouted for joy" when they found the 3ABN signal on satellite. Please pray for 3ABN in Africa!!

3ABN PRODUCTION TRUCK • Our 3ABN Production Truck has been "on the road again" gathering that "fresh oil" from heaven as our crew crosses the country. This year our truck has attended several events, camp meetings and the ASI international convention for laypeople. We've captured an entire evangelistic series hosted by Pastor Walter Pearson of Breath of Life, and also five weeks of youth evangelism hosted by Pastor David Asscherick. These events are 100% sponsored by YOUR prayers and financial support of 3ABN. Please help us keep our Production Truck on the road with your regular monthly support! Thank you so much and God bless you!!

3ABN RUSSIA • We just received news that our 3ABN Russian programs recently were added to the programming lineups of 24 additional television stations. Also 3ABN Radio in Russia has expanded in both countries of Uzbekistan, Turkmenistan, Tadjikistan and Kazakhstan. Please pray with us that doors will continue to be opened for Christ's message to be heard through 3ABN Russia!

- Check to see if new or small radio stations in your area are looking for free programming. 3ABN Radio could be just what they need!

DID YOU KNOW?? . . . that many in the broadcasting industry believe this is the "Golden Age" for radio? Statistics show that people in the United States spend more time between 6:00 AM and 6:00 PM with radio than any other form of media. And more specifically, "Christian radio" is the fastest growing format in the country! Radio is also the most interactive form of media, making it in demand for "one-on-one" conversations concerning relevant issues in our country and in our communities. Thus God raised up 3ABN Radio just in time!!

Currently 3ABN Radio can be heard on stations — from the country of Belize to the state of Tennessee; from California to Newfoundland in Canada. And we're **GROWING . . . QUICKLY!!**

BIG NEWS! There have been more than 70 applications for radio stations during the FCC "windows" for low-power FM radio stations of those intending to rebroadcast 3ABN Radio. Already many construction permits have been granted with some of the most recent being in Quincy, Illinois; Morgantown, Georgia; Thayer, Kansas and Trenton, Georgia. And we've just received word that construction has just begun on a 3ABN Radio affiliate in Iceland!! Radio stations are also being developed in Australia, Africa, Papua New Guinea and more!! **PRAISE GOD!!**

A growing avenue where one can listen to 3ABN Radio is over the Internet. Our host site, TAGnet recorded 652 requests for 3ABN Radio during the last week of December 2000. By the first week of June 2001 the requests had skyrocketed to nearly 3,000 requests!!

A popular feature of 3ABN Radio is our daily LIVE broadcasts. Monday through Friday we have four hours of LIVE programs each day, and we are looking to expand this feature for interaction purposes in the future.

Please don't forget, your prayers and financial support of 3ABN Radio keep us growing and **BEAMING** the saving messages of Jesus Christ around the world! Thank you from the bottom of our hearts for your support of 3ABN Radio!!

FAMILY FAVORITES

During Pentecost 3,000 souls were converted in a single day. This was a result of prayer, preaching, and MORE. The MORE is described in Acts 2:42 where it says, "And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread and prayers. That word "continued" means this kept going on all the while Pentecost was happening. Fellowship and the "breaking of bread" are a big part of evangelism. This little poem helps to explain it: "I longed to hear the voice of God, so I climbed the highest steeple. But I heard God say, 'Get down from there, I dwell among the people.'" Why not start another Pentecost in your dining room with "fellowship and breaking of bread" and here are a few Family Favorites to help you get started!

Born in Loma Linda, California, Dr. Ira LaMont Casey is a third-generation Seventh-day Adventist. While he was very young he joined the Navy and served in it until the Second World War. He believes that the Lord saved his life during those awful sea battles.

He graduated from medical school and received his training in psychiatry at the University of California in Los Angeles. He practiced psychiatry in Phoenix, Arizona, for 25 years. Later he joined the Army and retired from it with the rank of colonel.

Dr. Casey is among a growing number of individuals and families who have developed a Revocable Trust Agreement with 3ABN, according to Leonard Westphal, Stewardship and Trust Services Director.

Dr. Casey states, "As soon as I found out that the 3ABN Board voted to have a Trust Services Department I became curious and wanted to know more about it.

"I discovered that a Revocable Trust with 3ABN offers an attractive rate of interest paid monthly or quarterly.

"One can also have a Trust jointly with one spouse allowing the surviving spouse to receive all the benefits during his or her lifetime and one can also name other beneficiaries such as children and loved ones in the distribution of the Trust Estate.

"In case of an emergency one can withdraw a portion of, or all of, the cash and assets from the Trust. When I saw the advantages a Revocable Trust offers, I immediately decided to develop a Revocable Trust Agreement with 3ABN."

Dr. Casey appreciates the fact that a Revocable Trust Agreement allows the Trustors to have complete control over the assets in the Trust.

For more information on how you can enjoy the advantages of a Revocable Trust Agreement, call Leonard Westphal at (800) 886-4800 or (909) 796-7800.

"Give and it shall be given unto you; good measure, pressed down, and shaken together and running over shall men give into your bosom. For with the same measure that you mete withal it shall be measured to you again."

About 3ABN

A Note From Danny & Linda

Dear Family,

It's incredible to think that 16 years have passed since the initial vision of 3ABN, and we can't begin to count the miracles. There's no doubt about it: 3ABN is not a ministry made with human hands... it's been (and still is) fashioned by the God who loves us!

Since the very beginning, the Lord revealed to us some Bible principles which He wanted to be a part of the basic structure of the ministry. We believe that by following these basic principles, God has been able to bless 3ABN "abundantly more than we can ask or think"! Here are just a couple of them:

"Now these are the commandments, the statutes and the judgments which the Lord your God commanded to teach you. . . . Hear therefore, O Israel, and observe to do it, that it may be well with you and that you may increase mightily. . . . And you shall write them upon the posts of your house and on your gates. . . ." (Deut. 6:1, 3, 9) In other words, in God's book there's no such thing as a closer Christian! In the early days of 3ABN some would say, "There's no way a network of 100% Christian programming will work. You had better mix it with some 'Leave It to Beaver' and 'How I Live Now' programs." We have found that God knows what He's talking about! There's not enough time left on the Earth for "ten on the public. Even when you think no one is watching in the wee hours of the morning, someone is searching for God, someone is searching for the Truth which will set them free! And in addition, partial truth means "only partial" freedom. At 3ABN, we believe in following the example of Jesus in standing for the straight message... with lots of love mixed inside!

Another Bible principle which we believe has truly opened the floodgates of Heaven for 3ABN is "Give, and it shall be given to you, good measure, pressed down, and shaken together and running over, shall be mingled into your bosom. For with the same measure that you mete withal it shall be measured to you again." (Luke 6:38) It's really the truth: "You can't out-give God!" 3ABN does not operate on standard business principles where you give a service and you get paid for it. For example, the production and satellite airtime costs for the recent series "Angels Reminded" by Bob and Samuel Thomas, Jr., were completely sponsored by 3ABN simply because "God said so." Althrough 3ABN charges much less for our production fees and airtime compared to other satellite owners, sometimes those big dollar signs are the only thing standing in the way of something BIG happening for the cause of God... and that's where faith comes in. We believe in using what God has given us to help others in ministry. Obviously, this is a principle where discretion and God's leading must be used, but we believe in promoting other worthy ministries so they can prosper and grow in their localities, besides... working for God is a "family thing!"

Here's another one! "For do I now persuade men, or God? Or do I seek to please men? If I were pleased men I should not be the servant of Christ." (Galatians 1:2) 3ABN has been blessed in that when God moves, we can move, too. We don't have to struggle through ten committees and a lot of red tape to make something happen. Someone once said "Committees take minutes but lose time!"

Why are we here as the family of God? We're here to demonstrate to the world that "GOD'S WAYS WORK!" so we need to stand on the promises of God to have the promises of God work for us! THANK YOU so much for demonstrating your love, trust and support to 3ABN through your prayers and financial support of this ministry! May God bless you super-abundantly more than you can ask or think!!

His love and ours,

Danny & Linda Shelton
and Your 3ABN Family

In Genesis Chapter 11 there is the story of the Tower of Babel. The unbelieving people decided to build a tower which would reach high into the sky. The Bible says in Genesis 11:6, "And the Lord said, Behold the people is one and they have all one language, and this they begin to do and now nothing will be restrained from them which they have imagined to do." Although this principle was unfortunately applied to a negative situation in this story, this principle still stands today and is marvelously manifested in positive situations, too. When God's people get together to accomplish great things for the Kingdom of God, "nothing is restrained which 'we' imagine to do." That's what "Operation Saturation" is all about!

Beginning January 2001, many of the people you see on 3ABN will be traveling to Racine, Wisconsin, a city with over 100,000 people, to "do their thing." There will be cooking schools, health seminars, gospel music concerts, literature distribution, inspirational mini-series and MORE! Each month

there will be one or more events where the public is invited to attend free of charge. High school youth will be involved in door to door advertisements, as well as the literature distribution. The events will be held in different locations of the city to SATURATE the town with some Good News that many have never heard before. Our Production Truck will be on hand to capture several of these mini-events to broadcast on 3ABN, and our 3ABN News Breaks will highlight what is happening in Racine throughout the year. Our first mini-event will be January 18-24 where Curtis and Paula Eakins will be presenting some health lectures, as well as serving up some delicious vegetarian recipes. But that is just the beginning of many months of sharing and making some new friends! THEN . . . beginning October 19 and continuing through November 24, 2001, those who have attended the mini-events will be invited to attend a five-week series of evangelistic meetings conducted by Pastor Samuel Thomas, Jr., which will be

videotaped by our 3ABN team and sent Live to satellite!

Although Racine is a large community, there is just a tiny bit of Adventist presence. Because of new FCC digital broadcasting requirements, there is no possibility for a downlink station in this area to rebroadcast 3ABN at this time. That means there's a whole spectrum of Bible truths that these dear people need to hear! We'd like to invite YOU to participate with us in "Operation Saturation." First and foremost we need your prayers, we are asking the Lord for 1,000 souls . . . souls that will continue what God has started! Second, if you would like to volunteer to help at any of the mini-events, please call our Marketing Department and ask for David Juarez. Third, "Operation Saturation" needs your financial support. The needs are great, but God is GREATER! Quite seriously, your participation in this project is PRAYED FOR . . . because we aren't citizens of Earth trying to leave this planet, we're citizens of Heaven trying to get HOME!

Beginning January 2001, many of the people you see on 3ABN will be traveling to Racine, Wisconsin, a city with over 100,000 people, to "do their thing."

Operation

Mr. and Mrs. Windell Borland, natives of Belize, visited some friends in Texas in 1991 where they were able to watch 3ABN for the first time. They concluded right away that they needed to somehow, somehow bring 3ABN to the country of Belize. So they bought a satellite dish in Texas and took it with them back to their country, and they gave the dish to their local cable company. This cable company immediately began rebroadcasting 3ABN. The Borlands were very encouraged by this so they continued to buy satellite dishes and give them to cable companies in Belize until every cable company in the country was rebroadcasting 3ABN.

Although much had been accomplished, the Borlands still had a burden for the small towns and villages which had no cable and little or no television . . . but there was RADIO! So the Borlands built a 350 watt radio station which reached approximately a 35 mile radius from the transmitter. This station began broadcasting in January of 1999.

To date, there have been 23 baptisms as a direct result of 3ABN Radio and many numbers of changed lives. Because of 3ABN listeners in "high places," the

Borlands were given a new location for their 3ABN Radio transmitter on a tower on the highest point in Belize. This new location will allow 3ABN Radio to reach the entire country of Belize as well as some neighboring countries and islands in the Caribbean. Praise God!

By the way, since 1991 and 3ABN's introduction into the country, cooperatively with local efforts the Adventist church, membership has grown by 18,000 members!

Not long ago, 3ABN placed an ad in a magazine whose subscribers are mainly radio station owners and operators. This ad allowed for an introductory CD-ROM to 3ABN Radio to be included in each magazine. An owner of a radio station in Tyler, Texas, received the CD-ROM and was impressed with what 3ABN Radio had to offer.

Although he attends a nondenominational church, he contacted 3ABN and now he is rebroadcasting 3ABN Radio 24 hours a day to a potential audience including 75,000 households (230,000 people) on KEGG-FM 91.1 in Tyler, Texas. Praise the Lord!

3ABN Radio is a marvelous and inexpensive way to saturate your community with the Good News of Jesus Christ! The last several months the FCC has been opening "windows" to accept applications for new low power FM radio stations. Although several "windows" have come and gone, the following opportunities are coming up soon for communities in these states!

February 2001: Arizona, Florida, Iowa, New Jersey, North Dakota, Oregon, Tennessee, Texas, U.S. Virgin Islands, Vermont, West Virginia

May 2001: Alabama, Arkansas, Guam, Kentucky, Massachusetts, Montana, Nebraska, New Mexico, North Carolina, Pennsylvania, Washington

If you are interested in finding out more information about the possibilities of bringing 3ABN Radio to your community, please call Theresa Boote at (800) 752-3226, extension 3509. And please remember 3ABN Radio in your earnest prayers and special offerings. GOD BLESS YOU!

Manila Miracle

Bien Tejano was a SDA Pastor who was working hard to feed the hungry and minister to those in trouble. Through a series of miracles, the President of the country met Bien and appointed him as the Ambassador of the Philippines to Papua New Guinea. Although his title is different now, Ambassador Tejano's vision to reach his people in the Philippines with the Good News has only greatly increased.

Recently the government in the Philippines made a construction permit available for a television station which will reach a potential audience of over 20 million people in metro-Manila. There were over 4,200 applicants for this one station. Ambassador Tejano approached the President with the request that 3ABN be given the permit. The President asked him, "Are you aware of how expensive this station will be to build?"

"Yes," was the reply.

"Can you afford to finance this?"

Again the answer was "Yes, I think so. Your Excellency," he continued, "we have a worldwide church and we have brothers and sisters all over the world. When we have a project like this, they all come and help carry the load."

Again the President questioned him, "Do you know that there are many applicants for this permit?"

"Yes," Bien replied, "but you should know that this will be the only television station that will continually broadcast about Jesus Christ." Then he began to also describe the health, family, gardening, cooking and music programs carried on 3ABN.

The President picked up his pen and wrote something in the margin of the application on his desk. He handed it to Bien who read the note to the Minister of Communication. It said "Please release all the necessary permits immediately."

Since this miracle, 3ABN has purchased property in Manila on a mountain top and construction of the station has begun. The cost of this project is one million dollars, and \$250,000 is still needed to complete the station which will potentially reach over 20 million people! CAN YOU HELP?

Nakai and Luna came from drastically different backgrounds. Nakai was raised as a Catholic, and Luna was raised as a pagan. Luna relates that her mother began exposing her to Satanism at an early age, and that even though she attended different Christian churches, her mother was leading a double life. After they were married, they both fell ill, and in her desperation, Luna began to immerse herself in witchcraft. After they relocated to the Northwest of the United States, Luna became suicidal. After hearing the local people talking

about our health programming in a support group, she decided to tune-in 3ABN. She was angered at what she heard, since it was Christian programming, but she could not get the faces out of her mind. She tells us that she heard Linda singing, and it melted her heart. Her well laid plans to kill her husband, her son and herself were abandoned in an instant, and the Lord began His healing work in her heart. Today Nakai, Luna and their son are Seventh-day Adventists, and although their health problems still cause them great concern, they have their faith and hope firmly planted in Jesus Christ, their Savior and their Healer.

Tom Slaughter

Tom was raised in a Catholic home in Salt Lake City, Utah. When he was in his twenties, he won a Bible in a sales contest. From reading that Bible he discovered the Sabbath, looked for and joined another Sabbath-keeping church. A subsequent scandal took him out of that church and into a very legalistic mind set. Many years later, after leaving that church and after many heartaches, Tom again returned to the Lord. His sister had become a

Seventh-day Adventist, and she had shared some 3ABN videotapes with him. Today Tom eagerly shares Christ with his coworkers and friends with an enthusiasm that is truly contagious. (See Pam's story, below.)

Pam Purkey

Pam was raised a Mormon, but church didn't mean much to her. In her own words, Pam was "searching for something," but didn't know what. When her friend Tom introduced her to 3ABN, she listened for the usual money appeals so common on Christian television, but to her surprise, she found none. Instead she found real people, and genuine Christian love. We recently visited her church in West Jordan, Utah, and witnessed Pam's baptism, along with her son Todd. Today she is a happy Christian, eagerly sharing her faith with all those around her.

Florence was raised in the Church of Jesus Christ of Latter Day Saints. From an early age she began searching for a way to be closer to God. Her search led her through cults, sects, and even Eastern religions, but one day she began to watch 3ABN on a local downlink station. Her age and physical limitations

Florence Roll

keep Florence from reaching most of the people in her city, but her love of Jesus shines out through her testimony. Her searching years are over. Today Florence walks hand in hand with Jesus every day.

Brenda Wilson

Brenda was raised in the World Wide Church of God and kept the Sabbath. But when she got married at 16, she quit going to church. For many years this precious lady lived in an abusive relationship, and almost gave up all hope. One day as she was

changing through the channels, she found 3ABN. "I began to study the Bible with a cigarette in one hand and a beer in the other," she says. When she finally visited a Seventh-day Adventist church the incredibly warm welcome let her know that she was home.

Jeff was raised on a farm and lost his mother when he was 12. Shortly after this, his father left and never came home. Family members came for all his brothers and sisters, but he was forced to live on the streets. He was married at 16 and divorced a few years later. He turned to drugs and lost another marriage and three children. Finally, out of desperation, he turned to God. When he found 3ABN on his TV he began to follow along in his Bible. When he discovered his local 3ABN station, it led him to a Seventh-day Adventist church. Jeff walked off the streets and into that church, where he found God's family waiting with open arms. Today Jeff is still working on cleaning up the wreckage of his past, but his whole being is enlightened with the love of Christ.

Jeff Reed

Bernie began attending a nondenominational church with a teenaged friend and accepted Jesus Christ as his Savior. But he lost his "first love" and for several years he drifted in and out of church, always with the belief that "once saved, always

Diana's childhood was marred by terrible physical, mental and sexual abuse. She was introduced to drugs and alcohol by her father when she was 12, and that led her to a life of despair. When she met her father again many years later, he had found the Lord, but after trusting her children to his care, she found out that he had begun molesting them, too. Her situation grew worse when her father was arrested for the murder of her stepmother, and her drug abuse became so bad that she gave up her children to her husband and moved out to the streets. Many bitter tears were shed as she would creep up to the windows after dark to watch her children inside. She begged God to just let her die and she began to suffer from psychosis. An intensive program of detoxification gave her another chance, and she found a Seventh-day Adventist church which was holding a series with Pastor Kenneth Cox. The joy she found in the Lord was unspeakable, and later, when her daughter developed problems with drugs and alcohol, Diana took her to church. Here she discovered 3ABN, and the programs helped her understand the truths of the Bible. Soon she was ready for baptism, too. Today Diana knows she is special to God, and she continues to grow as she watches 3ABN.

Diana Romero

Jim came from a military family, and accepted Jesus in a Junior Baptist Camp when he was young. Later, when his parents became

day Adventists he was also baptized into the church. But when Jim joined the military he fell away from a healthy lifestyle. Many years later his wife discovered 3ABN and when she pointed it out to him, he recognized the Seventh-day Adventist programming. Jim's family continued to watch 3ABN and the

familiar truths presented prompted him to be rebaptized. He stepped out in faith when his job conflicted with the observance of the Sabbath, and the Lord was faithful to him. Today he has an even better job, and Jim's heart overflows with gratitude for the message that came to him through 3ABN.

When Ron and Marta were married they became Mormons, after the tradition that Marta was raised in. But as the years went

Marta and Ron Davis

by, they left that church, and began "living for the weekends." All of that changed one day when one of Ron's friends witnessed to him, and after attending his church, his whole family was saved. When the devastating Northridge earthquake hit Southern California, it devastated their home. They began living in their trailer, and spent their summers in Grants Pass, Oregon. There they discovered a Better Life Television station broadcasting 3ABN and began to watch. At first, they tried to prove the teachings wrong, but as they watched more and more they became convinced that they should worship on the Sabbath. Finally one winter, they rented a house in Mexico which had a satellite dish. They were surprised that they were able to receive 3ABN, and even though they attended their Sunday church, they found a group of Sabbath keepers and their joy was made complete. Today Marta is the manager for Better Life Television and Ron works as a volunteer manager. They are excited about being able to help broadcast 3ABN throughout Southern Oregon!

Brenda was raised in an atheist family. In fact, her father would become so upset at the mention of God that he would leave the room! Brenda suffered from severe anorexia nervosa and was painfully thin. As a young adult she met a wonderful Christian woman who invited her to her home for dinner. She accepted, and was very surprised to be presented with a beautiful Bible as a gift. Her friend's testimony and that Bible changed Brenda's life forever. She was immediately delivered from anorexia when she was saved! Later she married a Christian man and they moved to Salt Lake City, Utah. Together they began seeking for more truth about the Bible. One night, her husband woke her up and said, "I found it, I found it! I found the truth about the Sabbath, and about what happens when you die, and about the rapture!" Together they began watching the local 3ABN downlink, and their joy has increased as they were welcomed into the Seventh-day Adventists church and into a loving family of believers.

Brenda Child

Joe was taught from a child that if he wanted to go to Heaven, he had to do many hours of penance on his knees to get right with God, so throughout his life

Danny and Linda Shelton with Joe

he spent hours on his knees pleading for God's mercy and forgiveness. As a result, his knees are permanently black and calloused. Recently he moved to a location where the only channel he could receive on his TV was 3ABN. He began watching regularly and reached the point where he said, "I want to serve the Jesus these people serve." Joe came to 3ABN's Loma Linda Rally, his first time at an SDA meeting, and announced publicly that he wants to be baptized! Praise God!

it's Kids Time!

God's biggest blessings are "little ones," the youngsters He puts in our midst! And 3ABN is in the process of preparing quite a platter of programs to help "train up our youngsters in the way they should go."

Beginning in January 2001, the 3ABN "Kids Time" program will be reintroduced with brand new people, new segments and a brand new look! The program is hosted by Brenda Walsh from Waltham, Massachusetts, and is sponsored by 3ABN.

There will be "Nature Time" where Ranger Jim takes youngsters into nature and reveals to them incredible secrets about God's creation . . . the animals, reptiles, insects, etc. "Cooking Time" will be a time for finding out about things that are "good and good for you," presented by KIDS, of course. During "Bible Time," characters from the Bible will tell their own stories and point the young folks to their best friend, Jesus. "Music Time" is hosted by Buddy Houghtaling and in this segment you can't help but be lifted to heavenly places as you see the happy faces and hear the songs that make the heavens rejoice! There's all this and much MORE! Yet best of all, the focus of this program is specifically for our youngsters to know Jesus . . . and then for them to share the Good News!

Thirteen new Kids Time programs have just been completed, and another thirteen are scheduled to be completed by May, 2001. But there's just one thing missing in this program . . . it's YOU!! We quite desperately need your prayers and financial support to keep these new programs coming! Next summer a "Tiny Tot" program is scheduled to be started for cradle roll and primary age children, but once again this is a step of faith. We are trusting God to supply the needs through His people. If the Lord is impressing you to support these program's, please earmark your gifts "Kids Time" or "Tiny Tot." THANK YOU so much for helping us bring the BIG NEWS to the "little ones" God loves so dearly!

An apple a day...

The apple is referred to as “the king of fruits.” The reputation of the apple is reflected in the well known phrase “an apple a day keeps the doctor away!” This phrase is derived from an old English verse which says “an apple before bed makes the doctor beg for his bread.” Apples are great sources of vitamin C, they have a lot of fiber, they are anti-carcinogenic, antiviral and much more! The best way to eat an apple is right from the tree, but for those of you who like variety for those special home-cooked gatherings, here are some great apple recipes straight from the 3ABN kitchen!

“Apples are superior to any fruit for a standby that grows.”

"Make Me a Sanctuary... that I may dwell among them!"

God said, "Let them make Me a sanctuary that I may dwell among them." (Exodus 25:8) As a result the children of Israel brought gold, silver, brass, different colored linen, goats' hair, rams' skins, oil, spices, precious stones and more!

Today is no different than the days of Moses. God still desires offerings that will "make a

Mrs. Doris Ramsey

sanctuary where He can dwell among us." Our offerings make a place for God in this world.

Mrs. Doris Ramsey is a regular listener and supporter of 3ABN. When Mrs. Ramsey's husband was laid to rest, she was left with his large stamp collection. She didn't know what to do with it so she began asking God to show her His will. Quite

suddenly she was impressed to donate the collection to the ministry of 3ABN. The stamp collection was sold for \$16,000 and this gift was used to help preach the gospel over the airwaves to the multitudes.

Edith Hawkins and Dixie Lee Pool, a mother and daughter, have been supporters of 3ABN since its very inception. They felt a need to develop some kind of plan so their estate could spread the gospel in the event that they fall asleep in Christ before Jesus' return. Both contacted Leonard Westphal, the Trust Services Director for 3ABN, to obtain more information. They reviewed various estate plans and they decided to fund a Charitable Gift Annuity. Edith and Dixie chose this estate plan because they discovered:

- ❶ ...one is paid a high rate of return that is based on the age of the annuitant, not the commercial bank rate, a fixed rate that you can count on every month.
- ❷ ...the government gives you the opportunity to avoid paying taxes through plans such as a Charitable Gift Annuity.
- ❸ ...much of the income is tax free.
- ❹ ...a large charitable deduction can be reported on a federal tax return at the end of the year in which the annuity is begun.
- ❺ ...an annuity is a contribution to 3ABN while the donor

still benefits for life from the investment.

Mrs. Hawkins shares "We are very satisfied with this arrangement and recommend it to anyone who has some money tucked away that could be used

Edith Hawkins and Dixie Lee Pool

to fund a Charitable Gift Annuity."

Do you have an offering you'd like to pledge to help 3ABN "make a place for God in this world"? If you'd like more information regarding estate planning or the donation of a saleable item, please contact:

Dear Family,

Something much bigger and far-reaching than Pentecost is happening right now! Our Lord is pouring out tidal waves of technology which is allowing the gospel to penetrate into areas where it previously has not reached. Think about it for a moment: What would Peter or Paul say if they saw an inanimate box (a television) speaking the Gospel in someone's home? How would they respond to the Gospel being preached as people traveled from place to place in their "chariots"? There's no doubt their excitement would be incredible! Our excitement needs to be doubly so!

Last day events are happening around us in technicolor! God does not want us to just observe them, He wants each of us to participate in them . . . and right now He is multiplying our efforts with technology that can speak for us. Today it is within our reach to have not just a few, but many, many Bible studies going simultaneously using video and cassette tapes. That's why we are making our latest video and cassette catalog available to you! Just as Moses used Aaron to speak for him, why not use these tremendous tools to broaden your witness in your community!!

We believe your efforts will be ABUNDANTLY blessed by our heavenly Father! Please write and let us know the miracles that happen as God uses you in an incredible way to spread the love of Jesus, and to "set the captives free!". And don't forget, the Bible says you are "precious in His sight," and we want you to know you're very special to us too! GOD BLESS YOU!!

His love & ours,

Danny & Linda Shelton
& YOUR 3ABN Family
