Overview

Three Angels Broadcasting Network (3ABN) is a 24-hour Christian television and radio network with a mission to reach the world with the gospel. 3ABN began in 1984 when Danny Shelton was impressed to build a television station that would reach the world. Today, surrounded by the rolling farmland of Southern Illinois, 3ABN beams its signal across every inhabited continent.

Three Angels Broadcasting Network airs programs with a down-to-earth approach. Its blend of spiritual teaching, health, and family-oriented programming offers a wide variety of choices. Programming focuses on topics that meet specific viewer needs, such as stop-smoking clinics and drug and alcohol recovery programs. Thousands of viewers take advantage of its toll-free prayer and pastoral counseling line each month.

3ABN's absence of large fundraising efforts or telethons holds a special appeal for its viewers. 3ABN is an independent, nonprofit, supporting ministry of the Seventh-day Adventist Church.
